Jim Elliot - Janet Benge 1999-01-01
Chronicles the life and achievements of the Christian missionary who brought the word of the gospel to the Auca men of Ecuador.
Diccionario enciclopedico hispano-americano de literatura, ciencias y artes - 1895

The three mountains - Samael Aun Weor 2008

El Libro español - 1982

Jesus Before Christianity - Albert Nolan 1992
Nolan's portrait introduces readers to Jesus as He was before He became enshrined in doctrine, dogma, and ritual, a man deeply involved with the real problems of His time, which are the real problems of our time as well. In a new preface, Nolan reflects on recent work in Christology and how a book written in South Africa in 1976 still has a message for people today.

Chaos and Governance in the Modern World System - Giovanni Arrighi 1999

Behind the Curtains - Carmen Martín Gaité 1990
Traces the lives of several young women growing up in a provincial Spanish town during Franco's authoritarian rule

Redactado por distinguidos profesores y publicistas de España y América ... - 1887

Public Administration - Howard E. McCurdy 1986-01-24

This volume is an ideal reference source for persons investigating specific areas within the diverse field of public affairs and administration.

Public Administration includes two comprehensive essays that give a broad overview of the entire field, describing how it has developed through scholarly research and professional practice. It identifies the principal "schools of thought" and the areas of specialization that support them ... covers such topics as state, local, and comparative public personnel administration and public policy analysis ... reviews the most frequently cited sources in the field ... provides details on budgeting and finance ... and pinpoints the major sources for 33 specialized subcategories within the field. This bibliography represents the most current treatment available for historic and recent developments in public administration, and serves as a valuable reference for graduate- and advanced undergraduate-level courses in public affairs and administration, political science and government, policy analysis, organization theory, management science, budgeting and finance, labor relations and public personnel management, and for professionals in government agencies and institutions. Book jacket.

International Handbook on the Economics of Corruption - Susan Rose-Ackerman 2007-01-01
This collection of articles offers a comprehensive assessment of the subtle but nevertheless pervasive economic infrastructure of corruption. It provides suitable core or adjunct reading for law school, graduate, and undergraduate courses on international economics, international relations and international law. American Society of International Law This

exhaustive collection, edited by Rose-Ackerman, cannot be called anything but excellent. . . . Overall, a wonderful addition to the literature. Highly recommended. C.J. Talele, Choice

Susan Rose-Ackerman is a world-class economist and an authority on the economics of corruption. This is a fine reference volume that every economist interested in this important subject will want to have as a ready reference. Jagdish Bhagwati, Columbia University, US Economic research on corruption aims both to isolate the economic effects of quid pro quo deals between agents and third parties, and to suggest how legal and institutional reforms might curb harms and enhance benefits. In this comprehensive Handbook, top scholars in the field provide specially commissioned essays, both theoretical and empirical, exploring both types of research. The Handbook begins with an introductory essay by the editor, followed by two chapters written by leading exponents of cross-country research. However, the focus of the Handbook is on research at the micro level, where policy can be made and evaluated. These microeconomic studies fall into several overlapping categories. The first group includes studies that link corrupt incentives to institutional structures, particularly the organization of the state. The second draws implications from surveys of households or businesses and from controlled experiments. The third concentrates on particular sectors such as education, tax administration, public works, customs services, and pharmaceuticals. Finally, two chapters assess corruption in the transition away from socialism in Europe and Asia.

The President - Miguel Asturias 2019-08-01
The President tells the story of a ruthless dictator and his schemes to dispose of a political adversary in an unnamed country usually identified as Guatemala. Drawing on his experience as a journalist writing under repressive conditions, Miguel Angel Asturias provides a blazing indictment of totalitarian government and its damaging psychological effects on society - from the harvest of terror to cowardice, to sycophancy, to treachery and intrigue, and the total sacrifice of human values to lust for power. Written in a language of freedom and originality, full of extraordinary symbolism, biting satire, poetry and dream sequences, with an imagination that is both

lyrical and ferocious, The President is a surrealist masterpiece and one of the most influential books of the twentieth century.

Perspectives on the New Age - James R. Lewis
1992-01-01

This book begins with a comprehensive historical section that places the New Age within the context of its predecessor movements. It then focuses on specialized aspects of this subculture, from essays on the convergence of New Age spirituality with women's spirituality, to an essay on how Evangelical Christians have responded to the movement. The book also examines the international impact of the New Age.

The Economics and Financing of Media Companies - Robert G. Picard 2011

In this updated and expanded edition of the acclaimed Economics and Financing of Media Companies, leading economist and media specialist Robert G. Picard employs business concepts and analyses to explore the operations and activities of media firms and the forces and issues affecting them. Picard has added new examples and new data, and he covers such emerging areas as the economics of digital media. Using contemporary examples from American and global media companies, the book contains a wealth of information, including useful charts and tables, important for both those who work in and study media industries. It goes beyond simplistic explanations to show how various internal and external forces direct and constrain decisions in media firms and the implications of the forces on the type of media and content offered today.

Educational Handbook for Health Personnel
- J.J. Guilbert 1987

The sixth edition of an educational handbook revised and updated in 1992 that has become a standard text for training teachers in the health sciences. Unorthodox in its approach, the book challenges teachers to increase their skills so as to make learning easier for students. To this end, readers are given a task-oriented exercise in self-learning that can help them rethink attitudes, reorient teaching objectives, and then master the appropriate skills. The importance of producing graduates who are able to respond to community and individual health needs is repeatedly emphasized. The book features five

main chapters covering educational objectives, evaluation planning, program construction, test and measurement techniques, and the organization of an educational workshop. Within each chapter, theoretical information is presented and followed wherever appropriate by exercise sheets. Such a format makes it possible for the reader to skip and select, test, and choose according to his individual interests. Though most practical examples pertain to the medical and nursing professions, the handbook has also enjoyed wide use in teacher training for the dentistry, pharmacy, and sanitary engineering professions.

Authoritarianism in Mexico - José Luis Reyna 1977

Diccionario enciclopédico hispano-americano de literatura, ciencias y artes: Apéndice 24-25. Segundo apéndice 26-28 - 1895

The Emotion and the Truth - Mariano Aguirre 2002

This is a book about modern wars in fragile state, one of the most important issues in the international system, and how the media, the academic and non-governmental organizations understand, act towards, interact among them and provide knowledge about their armed conflicts.

Christ Versus Arizona - Camilo José Cela 2007
Christ versus Arizona turns on the events in 1881 that surrounded the shootout at the OK Corral, where Wyatt Earp, Doc Holliday, and Virgil and Morgan Earp fought the Clantons and the McLaurys. Set against a backdrop of an Arizona influenced by the Mexican Revolution and the westward expansion of the United States, the story is a bravura performance by the 1989 Nobel Prize-winning author. A monologue by the naive, unreliable, and uneducated Wendell L. Espana, the book weaves together hundreds of characters and a torrent of interconnected anecdotes, some true, some fabricated. Wendell's story is a document of the vast array of ills that welcomed the dawning of the twentieth century, ills that continue to shape our world in the new millennium. "Cela prefers the weird, the apparently meaningless and the amorphous. The world of his novels has been likened to that of Hieronymus Bosch and

Brueghel; he sees man as a prisoner in a forbidding universe where chaos and imperfection always defeat the idealist." Paul West "Cela is a restless spirit. In him is united a marked fondness for experiment with a provocative attitude. At the same time he can be included in an old Spanish tradition of hilarious grotesqueness which is often the other side of despair. Compassion for man's hopeless suffering is there, but tightly controlled." 1989 Nobel prize for Literature Press Release "One of the most gifted and powerful writers in contemporary Europe." Commonwealth - What is Spiritism -

Music and Society - Elie Siegmeister 1938

The Bondage Breaker® - Neil T. Anderson 2019-03-05

You Can Break the Chains Holding You Captive
Harmful habits, negative thinking, and irrational feelings can all lead to sinful behavior and keep you in bondage. If you feel trapped by any of these strongholds in your life, know that you are not alone—you can break free. Neil Anderson has brought hope to millions facing similar spiritual attacks. In this significantly revised and updated edition of this popular bestselling book, he offers a holistic approach to spiritual warfare that is rooted in the Word of God. As you read stories of others who have been locked in spiritual battles, you will learn the underlying whys and hows behind these attacks, and discover the truth that sets people free in Jesus. You don't have to live as if you are in chains. Break through your spiritual battles, and find freedom in Christ with *The Bondage Breaker*.

Representation in Religion - Jan Assmann 2018-08-14

The volume consists of presentations made at an international conference. Authors consider the issues concerning the role of representation in religion across a variety of traditions, from the three Abrahamic faiths to those of antiquity and the East.

Advances in the Analysis of Spanish Exclamatives - Ignacio Bosque 2017-02-08

Advances in the Analysis of Spanish Exclamatives is the first book entirely devoted to Spanish exclamatives, a special sentence type often overlooked by contemporary linguists and

neglected in standard grammatical descriptions. The seven essays in this volume, each by a leading specialist on the topic, scrutinize the syntax--as well as the semantic and pragmatic aspects--of exclamations on theoretical grounds. The book begins by summarizing, commenting on, and evaluating previous descriptive and theoretical contributions on Spanish exclamatives. This introductory overview also contains a detailed classification of Spanish exclamative grammatical types, along with an analysis of their main properties. Special attention is devoted in the book throughout to the syntactic structures displayed by exclamative patterns; the differences between exclamations and other speech acts (specifically questions and imperatives); the peculiar semantic denotation of exclamative words and their relationship to quantifiers denoting high degree; the semantics of adjectives and adverbs expressing extreme evaluation; the form and interpretation of negated and embedded exclamatives; the properties of optative utterances; and the different ways in which expressive contents are related to unexpected reactions of the speaker, as well as possible knowledge shared by interlocutors. This groundbreaking volume provides a complete and accurate picture of Spanish exclamation by integrating its numerous component parts.

Cuba Independiente - Enrique Collazo
2019-02-20

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important

enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

¿Por qué? 101 Questions About Spanish - Judy Hochberg 2016-10-20

¿Por qué? 101 Questions about Spanish is for anyone who wants to understand how Spanish really works. Standard textbooks and grammars describe the "what" of Spanish - its vocabulary, grammar, spelling, and pronunciation - but ¿Por qué? explains the "why". Judy Hochberg draws on linguistic principles, Hispanic culture, and language history to answer questions such as: Why are so many Spanish verbs irregular? - Why does Spanish have different ways to say "you"? - Why is h silent? - Why doesn't Spanish use apostrophes? - Why does Castilian Spanish have the th sound? Packed with information, guidance, and links to further research, ¿Por qué? is an accessible study guide that is suitable for Spanish students, instructors, native speakers, and the general reader. It is a valuable supplementary text for serious students of Spanish at all levels, from beginning to advanced. ¿Por qué? also covers topics usually left to specialized books, including the evolution of Spanish, how children and adults learn Spanish, and the status of languages that co-exist with Spanish, from Catalan to Spanish sign language to the indigenous languages of Latin America.

The Mystery of the Sintra Road - Eça de Queirós 2013

The Mystery of Sintra road begins when two friends are kidnapped by several masked men, who, to judge by their manners and their accent are men of the best society. One of the friends is a doctor, and the masked men say that they need him to assist a noblewoman, who is about to give birth. When they reach the house, they find no such noblewoman, only a dead man. Eça de Queiroz wrote this spoof 'mystery' with his friend Ramalho Ortigão, publishing it in the form of a series of anonymous letters in the *Dirio de Noticias* in 1870.

Work's Intimacy - Melissa Gregg 2013-04-23

This book provides a long-overdue account of online technology and its impact on the work and lifestyles of professional employees. It

moves between the offices and homes of workers in the new "knowledge" economy to provide intimate insight into the personal, family, and wider social tensions emerging in today's rapidly changing work environment. Drawing on her extensive research, Gregg shows that new media technologies encourage and exacerbate an older tendency among salaried professionals to put work at the heart of daily concerns, often at the expense of other sources of intimacy and fulfillment. New media technologies from mobile phones to laptops and tablet computers, have been marketed as devices that give us the freedom to work where we want, when we want, but little attention has been paid to the consequences of this shift, which has seen work move out of the office and into cafés, trains, living rooms, dining rooms, and bedrooms. This professional "presence bleed" leads to work concerns impinging on the personal lives of employees in new and unforeseen ways. This groundbreaking book explores how aspiring and established professionals each try to cope with the unprecedented intimacy of technologically-mediated work, and how its seductions seem poised to triumph over the few remaining relationships that may stand in its way.

Cecilia Valdés or El Angel Hill - Cirilo Villaverde
2005-09-29

Cecilia Valdés is arguably the most important novel of 19th century Cuba. Originally published in New York City in 1882, Cirilo Villaverde's novel has fascinated readers inside and outside Cuba since the late 19th century. In this new English translation, a vast landscape emerges of the moral, political, and sexual depravity caused by slavery and colonialism. Set in the Havana of the 1830s, the novel introduces us to Cecilia, a beautiful light-skinned mulatta, who is being pursued by the son of a Spanish slave trader, named Leonardo. Unbeknownst to the two, they are the children of the same father. Eventually Cecilia gives in to Leonardo's advances; she becomes pregnant and gives birth to a baby girl. When Leonardo, who gets bored with Cecilia after a while, agrees to marry a white upper class woman, Cecilia vows revenge. A mulatto friend and suitor of hers kills Leonardo, and Cecilia is thrown into prison as an accessory to the crime. For the contemporary reader Helen Lane's masterful translation of Cecilia Valdés

opens a new window into the intricate problems of race relations in Cuba and the Caribbean. There are the elite social circles of European and New World Whites, the rich culture of the free people of color, the class to which Cecilia herself belonged, and then the slaves, divided among themselves between those who were born in Africa and those who were born in the New World, and those who worked on the sugar plantation and those who worked in the households of the rich people in Havana. Cecilia Valdés thus presents a vast portrait of sexual, social, and racial oppression, and the lived experience of Spanish colonialism in Cuba.

Worship at Satan's Throne - Stephen Bohr
2008-01-01

Competing for Advantage - Robert E. Hoskisson
2012-07-26

Discover what it takes to create a sustainable competitive advantage in management and business today with this straightforward, powerful strategic management resource. *COMPETING FOR ADVANTAGE, 3E* focuses specifically on the issues most important to today's current or future practitioner. Constancia - 1877

Diccionario enciclopédico hispanoamericano de literatura, ciencias, artes, etc. ... - 1938

Development Cooperation in a Fractured Global Order - Francisco R. Sagasti 1999
Development Cooperation in a Fractured Global Order

Unruly Order - Deborah Poole 1994-08

Violence forms a part of the daily rhythms of life in the Peruvian Andes - from the "play" of everyday life to the political actions of the Shining Path. This volume explores how violence has affected the daily lives, cultural identities, and political futures of the inhabitants of Peru's southern high provinces. In their case studies, the contributors consider how violence has inflected the historical geography of the region; popular discourses of race, ethnicity, and gender; and the forms of local power that perpetuate landlord rule. *Unruly Order* makes a powerful argument for extending our understanding of this particular regional culture of violence to the social and cultural processes at work in many other parts of Latin America.
Comunicación - 2002

Journey to the Alcarria - Camilo José Cela 1990

The Nobel Prize-winning author, describes his experiences traveling through the Alcarria territory, northeast of Madrid, and shares his impressions of the people
ABC, Madrid - 1976
