A Court of Silver Flames - Sarah J. Maas 2021-02-16

Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with

Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

Summary of A Court of Thorns and Roses - Alexander Cooper 2021-01-29

Summary of A Court of Thorns and Roses Feyre is hunting to feed her family, but she wishes she could just hang out and paint. Under her huntress exterior lays the heart of an artist. This first chapter actually reads a bit like the Hunger Games, but it seems pretty unfair to complain just because a different female character is hunting. She's about to kill a doe, but a massive wolf attacks it. Feyre isn't sure if the wolf is a faerie or an animal because it's "the size of a pony", but just in case, she kills it using an ash arrow that she just happened to buy last year (ash is deadly to Faeries). For a moment, I wished I had it in me to feel remorse for the dead thing. But this was the forest, and it was winter. Girl means business. We also find out that sometimes Feyre hooks up with Isaac, but he's nothing special. I actually really dug that this story has a protagonist that isn't a virgin and never apologizes for it (nor did anyone ever try to make her feel like she should apologize for it.) No time is wasted with Feyre pining over Isaac as though there's a chance in hell she will wind up with his human ass. The Plot - Jean Hanff Korelitz 2021-05-11

**** NEW YORK TIMES BESTSELLER! **** The Tonight Show Summer Reads Winner **** A New York Times Notable Book of 2021 **** "Insanely readable." —Stephen King Hailed as "breathhtakingly suspenseful," Jean Hanff Korelitz's *The Plot* is a propulsive read about a story too good not to steal, and the writer who steals it. Jacob Finch Bonner was once a promising young novelist with a respectably published first book. Today, he's teaching in a third-rate MFA program and struggling to maintain what's left of his self-respect; he hasn't written—let alone published—anything decent in years. When Evan Parker, his most arrogant student, announces he doesn't need Jake's help because the plot of his book in progress is a sure thing, Jake is prepared to dismiss the boast as typical amateur narcissism. But then . . . he hears the plot. Jake returns to the downward trajectory of his own career and braces himself for the supernova publication of Evan Parker's first novel: but it never comes. When he discovers that his former student has died, presumably without ever completing his book, Jake does what any self-

respecting writer would do with a story like that—a story that absolutely needs to be told. In a few short years, all of Evan Parker's predictions have come true, but Jake is the author enjoying the wave. He is wealthy, famous, praised and read all over the world. But at the height of his glorious new life, an e-mail arrives, the first salvo in a terrifying, anonymous campaign: You are a thief, it says. As Jake struggles to understand his antagonist and hide the truth from his readers and his publishers, he begins to learn more about his late student, and what he discovers both amazes and terrifies him. Who was Evan Parker, and how did he get the idea for his "sure thing" of a novel? What is the real story behind the plot, and who stole it from whom?

Her dream is to win a major rose competition and one day have her version of the bloom sold in the commercial market. Gal carefully calibrates the rest of her time to manage the kidney failure she's had since childhood, going to dialysis every other night, and teaching high school biology, where she is known for her exacting standards. The routine leaves little room for relationships, and Gal prefers it that way. Her roses never disappoint her the way people have. Then one afternoon, Riley, the teenaged daughter of Gal's estranged sister, arrives unannounced to live with her, turning Gal's orderly existence upside down. Entertainment Weekly When the Bat's away, the Cat will play. It's time to see how many lives this cat really has. Two years after escaping Gotham City's slums, Selina Kyle returns as the mysterious and wealthy Holly Vanderhees. She quickly discovers that with Batman off on a vital mission, the city looks ripe for the taking. Meanwhile, Luke Fox wants to prove that as Batwing he has what it takes to help people. He targets a new thief on the prowl who has teamed up with Poison Ivy and Harley Quinn. Together, they are wreaking havoc. This Catwoman is clever—she may be Batwing's undoing. But with a dangerous threat from the past on her tail, will she be able to pull off the heist that's closest to her heart?
