**The Gift** - Edith Eva Eger 2020-09-15

"I will be forever changed by Edith Eger's story." —Oprah A practical and inspirational guide to stopping destructive patterns and imprisoning thoughts to find freedom and joy in life—now updated to address the challenges of the pandemic and a world in crisis. World renowned psychologist and internationally bestselling author, Edith Eger's, powerful New York Times bestselling book *The Choice* told the story of her survival in the concentration camps, her escape, healing, and journey to freedom. Readers around the world wrote to tell her how *The Choice* moved them and inspired them to confront their own past and try to heal their pain. They asked her to write another, more prescriptive book. Eger's second book, *The Gift*, expands on her message of healing and provides a hands-on guide that gently encourages readers to change the thoughts and behaviors that may be keeping them imprisoned in the past. Eger explains that the worst prison she experienced is not the prison that Nazis put her in but the one she created for herself: the prison within her own mind. She describes the most pervasive imprisoning beliefs she has known—including fear, grief, anger, secrets, stress, guilt, shame, and avoidance—and the tools she has discovered to deal with these universal challenges. These lessons are offered through riveting and inspiring stories from her life and the lives of her patients. This new, revised edition of *The Gift* contains two new chapters that examine the invaluable insights and lessons Edie learned during the Covid-19 pandemic; a time she used to rediscover freedom even in lockdown and to enjoy the simple pleasures of life, including preparing and sharing meals with the ones we love. Edie includes recipes for some of her favorite dishes which have been updated and tested by her daughter Marianne Engle and explains how food can be a deep expression of love and connection. As readers seek to find joy and some peace in these challenging times, Eger's wisdom and heartfelt advice is as timely, and timeless, as ever and certain to resonate with Eger's devoted readers and those who have not yet found her transformational wisdom. Filled with empathy, insight, and humor, *The Gift* captures the vulnerability and common challenges we all face and provides encouragement and advice for breaking out of our personal prisons to find healing and greater joy in life.

But sometimes Moss still wishes he could be someone else—someone without panic attacks, someone whose father was still alive, someone who hadn't become a rallying point for a community because of one horrible night. And most of all, he wishes he didn't feel so stuck. Moss can't even escape at school—he and his friends are subject to the lack of funds and crumbling infrastructure at West Oakland High, as well as constant intimidation by the resource officer stationed in their halls. **A Friend is a Gift You Give Yourself: A Novel** - William Boyle 2019-03-05

Goodfellas meets Thelma and Louise when an unlikely trio of women in New York find themselves banding together to escape the clutches of violent figures from their pasts. After Brooklyn mob widow Rena Ruggiero hits her eighty-year-old neighbor Enzo in the head with an ashtray when he makes an unwanted move on her, she embarks on a bizarre adventure. Taking off in Enzo's '62 Impala, she retreats to the Bronx home of her estranged daughter, Adrienne, and her granddaughter, Lucia, only to be turned away by Adrienne at the door. Their neighbor, Lacey "Wolfie" Wolfstein, a one-time Golden Age porn star and retired Florida Suncoast grifter, takes Rena in and befriends her. When Lucia discovers that Adrienne is planning to hit the road with her ex-boyfriend Richie, she figures Rena's her only way out of a life on the run with a mother she can't stand. But Richie has massacred a few members of the Brancaccio crime family for a big payday, and he drags even more trouble into the mix in the form of an unhinged enforcer named Crea. The stage is set for an explosion that will propel Rena, Wolfie, and Lucia down a strange path, each woman running from something and unsure what comes next. A Friend is a Gift You Give Yourself is a screwball noir about finding friendship and family where you least expect it, in which William Boyle again draws readers into the familiar—and sometimes frightening—world in the shadows at the edges of New York's neighborhoods.
