Mendoza the Jew - Ronald Schechter 2014

Mendoza the Jew combines a graphic history with primary documentation and contextual information to explore issues of nationalism, identity, culture, and historical methodology through the life story of Daniel Mendoza. Mendoza was a poor Sephardic Jew from East London who became the boxing champion of Britain in 1789. As a Jew with limited means and a foreign-sounding name, Mendoza was an unlikely symbol of what many Britons considered to be their very own "national" sport.

Grammy's House in the Woods - Linda S Lamica Brunelle 2019-08-06

Grammy's House in the Woods is a children's story. Join Grammy as she tells all about the silly animals she has at her house in the woods. Meet Lucky the cat, see what trouble Gallagher the Goose is causing, and read about the other special critters. Linda S. Lamica Brunelle (Grammy) wrote this book in 2005 and dedicated it to her first Grandchild. The story is based on real animals at her home in Brasher Falls, NY. Grammy passed away in 2017. This paperback is published in her memory. David L. Brunelle is author of *The Renaissance of Freemasonry*, and *Hooting & Strumming*. He's one of Grammy's two sons, and provided the editing, intro, and ending for this book.

It is an ERP tool for

organizations that is fast to implement, easy to configure, and simple to use. It is widely used because simplicity is a part of its development, product design, usability, and implementation. This book will help you to master, analyze, and deliver the most challenging reporting requirements in Dynamics NAV 2015. The book starts by explaining report development and it's different phases such as data model, layout, and testing you go through. It introduces you to RDLC and the different controls in the toolbox, such as the Tablix, in its many forms. You will learn to use expressions to make your layout dynamic and to overcome typical problems. Moving on, the book will teach you to visualize data and be able to understand and read a report as it is intended. You will also learn to use Microsoft Word to create a layout for a report. With Power BI and Power Pivot, Power View, and Power Map, you will learn how easy and powerful it is to bring your data to life, so you can spot trends and perform in depth analysis of your business. Reporting Services is also explained as another way that you can apply the knowledge you have about RDLC to build RDL layouts outside of Dynamics NAV. By the end, you will create different types of charts so you can visualize key performance indicators inside the Dynamics NAV application. Style and approach This book is an essential guide in to understanding what is involved in creating reports in Dynamics NAV and its reporting capabilities.

The Renaissance of Freemasonry - David Brunelle 2012

A new generation of seekers have inherited the craft, desirous of excellence, and without tolerance for ignorance or apathy. Freemasonry is being challenged from the inside with a call to restore Masonic excellence and revive the fundamentals of speculative Masonry. A philosophical companion for all Masons, *The Renaissance of Freemasonry* offers the sincere seeker a guidebook for Masonic introspection. By solemn contemplation of the topics addressed, a Mason will have cause to re-assess his perceptions and beliefs regarding the fraternity, thus rekindling his passion for Freemasonry, his quest for knowledge, and his search for sublime light. The first edition of this book was published in paperback and received overwhelmingly positive feedback. The Virginia Masonic Herald reviewed the first edition, giving it an A+ rating, citing "Worshipful Brother Brunelle provides a valuable, inspiring guide to Brethren seeking deeper and more spiritual Light in Masonry...The size of a pocket calendar, Brother Brunelle's finely honed book will enhance any Brother's Masonic thinking and learning in the most positive manner."
