Harmony - Addison Jane
2015-09-23

Harmony makes no excuses for who she is or what she's done. For the past few years she's been living as a club girl for the Brothers by Blood MC. The club girls are there for a purpose - to cook, to clean and

to keep the men happy. She respects the club, respects the men and she follows the rules. Watching the men walk in and out of her life is strangely comforting, and a feeling she's grown accustomed to. With a history of disappointments and false promises, all she wants is

to have fun, play music and finish college. Being associated with the club, she can do that without having to risk her heart. That was until he showed up. When Kit's father stepped down as president, he took the title with pride. The Brothers by Blood MC is his family, his home. Deciding to celebrate his new title with his brothers from a neighboring chapter, the last thing he expected was to find Harmony - a club girl with all the makings of a perfect old lady. The stunning blonde is beautiful, strong and fiercely independent. Harmony refuses to lower the walls she's created around her heart, but the fire inside her and her love for the club fuel his need to have her by his side, and on the back of his bike. When Harmony's safety is threatened, Kit is determined to do whatever it takes to protect her and prove that she can trust him. But after a lifetime of broken promises, will it be enough?

Beautifully Broken - KB.

Winters 2018-02-02

She thinks she's broken and I'm the one to fix her. As an ex-Navy SEAL there are a few guarantees in life. Avoiding relationships is one of them. Dealing with PTSD is another. So when I come across the Reckless Bastards MC, it's perfect for a man like me. I don't expect to fall for any women, much less find one who can deal with me and my messed up past. Last thing I expect is to encounter Jana Carter at a painting class. Don't ask why I was there. I can hardly keep my eyes off of her. She's a shy, sultry vixen, and she grabs a hold of me so hard, I can't let go. Just when I thought I'd built strong walls around my heart, I discover her walls are reinforced with steel. She's so pure, so innocent. Against all odds, I want her. I'll do anything to have her, to make her mine.

Phil - Alan Shipnuck

2022-05-17

NEW YORK TIMES

BESTSELLER * "A rollicking good time." —Golfweek *

"Thoroughly engaging." —The Washington Post Now with a new afterword: a juicy and freewheeling biography of legendary golf champion Phil Mickelson—who has led a big, controversial life—as reported by longtime Sports Illustrated writer and bestselling author Alan Shipnuck. Phil Mickelson is one of the most compelling figures in sports. For more than three decades he has been among the best golfers in the world, and his unmatched longevity was exemplified at the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw, uncensored, and unauthorized biography, Alan Shipnuck captures a singular life defined by thrilling victories, crushing defeats, and countless controversies. Mickelson is a multifaceted character, and all his warring impulses are on display in these pages: He is a smart-ass who built an empire on being the consummate professional; a loving husband dogged by

salacious rumors; a high-stakes gambler who knows the house always wins but can't tear himself away. Mickelson's career and public image have been defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and extroverted, an incorrigible showman whom many fans love and some abhor because of the overwhelming size of his personality. In their early years together on Tour, Mickelson lacked Tiger's laser focus and discipline, leading Tida Woods to call her son's rival "the fat boy," among other put-downs. Yet as Tiger's career has been curtailed by scandal, addiction, and a broken body, Phil sails on, still relevant on the golf course and in the marketplace. Phil is the perfect marriage of subject and author. Shipnuck has long been known as the most fearless writer on the golf beat, and he delivers numerous revelations, from the true scale of Mickelson's massive gambling losses; to the inside story of the acrimonious breakup between

Phil and his longtime caddie, Jim "Bones" Mackay; to the secretive backstory of the Saudi golf league that Mickelson championed to wield as leverage against the PGA Tour. But Phil also celebrates Mickelson's random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career and has been on the ground at Mickelson's most memorable triumphs and crack-ups, allowing him to take you inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years—full of heart, humor, and unexpected turns.

Heavenly Hacked - KB.

Winters 2018-08-04

Trained killer. Government hacker. MC. I'm many things, though my friends call me Jag. And like the big cat I'm ruthless, especially where my club is concerned. I lost my first love in a warzone and I'm not interested in revisiting that pain, Until a certain electric-

blue-haired hacker chick reappears again. She's totally badass-we were the best of friends in another life. Virtually. And now someone wants her dead. For real. I don't want to fall in love again, But I don't want her to be my friend. When she's in my arms, I can't let go. When her cherry-lips sigh my name, everything is suddenly sane. In protecting her, I'm starting a war. But war is my sandbox and I'm ready to play to have her.

marriage. Now, all I can do is beg for a second chance. To try and redeem myself in a bid not to lose the love of my life. I'm determined to use every second, every moment I have to show my wife how much she means to me-to rebuild the trust I shattered. But the harder I try, the more I start to realize our marriage had fallen into a routine of complacency and misplaced priorities long before my indiscretion. Isabelle is a strong, passionate, beautiful woman-a wife who has sacrificed so much for me. I just hope it's not too late for us, and that I'll be able to convince her that our love is meant to be kept.

and issues. By bringing to light delightful mind-teasers, philosophical questions and intriguing politics in mainstream economics, it promises to enliven an otherwise dry course whilst inspiring students to do well. The book covers all the main economic concepts and addresses in detail three main areas: * consumption and choice * production and markets * government and the State. Each is discussed in terms of what the conventional textbook says, how these ideas developed in historical and philosophical terms and whether or not they make sense. Assumptions about economics as a discipline are challenged, and several pertinent students' anxieties ('Should I be studying economics?') are discussed.

It's a Charmed Life - Selene

Charles 2018-04-24

Welcome to a world of fantasy, fairy tales, and murder most foul...My name's Elle. Princess Arielle, for those who know my history. Cursed by my own father and banished to Grimm,

I'm a siren, a killer, and one of the best damned cold-case detectives in the hundred realms. I don't stop until I uncover the truth, no matter where that truth leads. After discovering a bloodstained ribbon and a poison-tipped cat's claw at a cold-case crime scene at the Charmings' castle, I'm sent to Wonderland to investigate. Wonderland is a harrowing place full of madness and dark secrets. I'd rather be landlocked than step foot on that twisted soil, but I don't have a choice. My insatiable thirst for truth reveals a conspiracy that will not only rock the Grimm world but also my own. No one ever walks away from Wonderland unscathed... no one. Join me for a spellbinding tale you aren't soon to forget.

A Deadly Education - Naomi Novik 2020-09-29
NEW YORK TIMES
BESTSELLER • From the author of *Uprooted* and *Spinning Silver* comes the first book of the Scholomance trilogy, the story of an unwilling dark sorceress who is destined to rewrite the rules of magic. FINALIST FOR THE LODESTAR AWARD • “The dark school of magic I’ve been

waiting for.”—Katherine Arden, author of the *Winternight Trilogy* I decided that Orion Lake needed to die after the second time he saved my life. Everyone loves Orion Lake. Everyone else, that is. Far as I’m concerned, he can keep his flashy combat magic to himself. I’m not joining his pack of adoring fans. I don’t need help surviving the Scholomance, even if they do. Forget the hordes of monsters and cursed artifacts, I’m probably the most dangerous thing in the place. Just give me a chance and I’ll level mountains and kill untold millions, make myself the dark queen of the world. At least, that’s what the world expects. Most of the other students in here would be delighted if Orion killed me like one more evil thing that’s crawled out of the drains. Sometimes I think they want me to turn into the evil witch they assume I am. The school certainly does. But the Scholomance isn’t getting what it wants from me. And neither is Orion Lake. I may not be anyone’s idea of the shining hero, but I’m going to

make it out of this place alive, and I'm not going to slaughter thousands to do it, either. Although I'm giving serious consideration to just one. With flawless mastery, Naomi Novik creates a school bursting with magic like you've never seen before, and a heroine for the ages—a character so sharply realized and so richly nuanced that she will live on in hearts and minds for generations to come. The magic of the Scholomance trilogy continues in *The Last Graduate* “The can't-miss fantasy of fall 2020, a brutal coming-of-power story steeped in the aesthetics of dark academia. . . . A Deadly Education will cement Naomi Novik's place as one of the greatest and most versatile fantasy writers of our time.”—BookPage (starred review) “A must-read . . . Novik puts a refreshingly dark, adult spin on the magical boarding school. . . . Readers will delight in the push-and-pull of El and Orion's relationship, the fantastically detailed world, the clever magic system, and the matter-of-fact diversity of the

Born to Run - Christopher McDougall 2011-03-29
NATIONAL BESTSELLER •
The astonishing and hugely entertaining story that completely changed the way we run. An epic adventure that began with one simple question: Why does my foot hurt? “Equal parts quest, physiology treatise, and running history.... The climactic race reads like a sprint.... It simply makes you want to run.” —Outside Magazine
Isolated by Mexico's deadly Copper Canyons, the blissful Tarahumara Indians have honed the ability to run hundreds of miles without rest or injury. In a riveting narrative, award-winning journalist and often-injured runner Christopher McDougall sets out to discover their secrets. In the process, he takes his readers from science labs at Harvard to the sun-baked valleys and freezing peaks across North America, where ever-growing numbers of ultra-runners are pushing

their bodies to the limit, and, finally, to a climactic race in the Copper Canyons that pits America's best ultra-runners against the tribe. McDougall's incredible story will not only engage your mind but inspire your body when you realize that you, indeed all of us, were born to run. Look for Born to Run 2, coming in December!

Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

Mess Me Up - Lani Lynn Vale
2018-09-04

When Rome Pierce moved to Bear Bottom, Texas, it was his intention to lay low. To not be seen. To find a way to heal his

body and soul—as well as his son's. Nobody would know by looking at him that he used to play professional football. Not with the Bear Bottom MC cut covering his back, and definitely not with his friendly smile completely obliterated. No longer is there charm in each smooth word that comes out of his mouth. What's left is an angry, bitter, scared man that's terrified one day he's going to wake up and his entire world is going to be gone. Nobody knows what drove him to leave the game he loved—nobody but her. She's the one person that has helped him make it through the dark days and even darker nights. She's the bright and shining star in his pitch-black sky. And he doesn't even know her name. He should be afraid that she knows things that not anyone—not even his best friend—knows. Yet, with each encounter, he gives what little bit of his soul remains, and before he knows it only two people on this earth—one dying, and one too afraid to live—make his life worth living.

Drive Me Wild - Julie Kriss

2018-02-20

Emily was a cop's daughter, and I was the boy from the wrong side of the tracks. At eighteen, our affair was wild and completely secret. Until she left town for college and a better life, and I hit the road to nowhere. Eight years later, we're both back in town. My father is in prison; Emily is selflessly helping her sister. We should be farther apart than we've ever been. But I've never been able to resist temptation, especially when that temptation is Emily. I shouldn't go near her. But I do. She shouldn't say yes. But she does. Our chemistry is hotter than ever, but she's hiding something from me. Just like I'm hiding something from her. It's hard to tell whose secrets are more dangerous, until it all goes to hell. I can save her - and she can save me. But we'll have

to break the rules. We're from different worlds. We don't belong together. But in the end, Emily and I are going to have to get dirty.

From New York Times Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a

different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's

wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+.

Mistakes I've Made - Jordan Marie 2021-09-11

My love for Callie Street was like a bad country song. Boy meets girl. Boy falls in love with girl. Girl belongs to another guy. * * * Love hit me with the touch of hand. It burned so deep I thought it would burn me alive. Instead, it blew up around us. This is the beginning of our story. It's not pretty. It's ugly. It's painful as hell. But then, maybe all love stories are. *Mistakes I've Made* is Book 1 in a 2 book series.

The Romance of American Communism - Vivian Gornick 2020-04-07

Writer and critic Vivian

Gornick's long-unavailable classic exploring how Left politics gave depth and meaning to American life "Before I knew that I was Jewish or a girl I knew that I was a member of the working class." So begins Vivian Gornick's exploration of how the world of socialists, communists, and progressives in the 1940s and 1950s created a rich, diverse world where ordinary men and women felt their lives connected to a larger human project. Now back in print after its initial publication in 1977 and with a new introduction by the author, *The Romance of American Communism* is a landmark work of new journalism, profiling American Communist Party members and fellow travelers as they joined the Party, lived within its orbit, and left in disillusionment and disappointment as Stalin's crimes became public.

Kingsblood Royal - Sinclair Lewis 2001-04-10

Kingsblood Royal is a stirring and wickedly funny portrait of a man who resigns from the white race. When Neil Kingsblood a typical middle-American banker with a comfortable life makes the shocking discovery that he has African-American blood, the odyssey that ensues creates an unforgettable portrayal of two Americas, one black, one white. As timely as when it was first published in 1947, one need only open today's newspaper to see the same issues passionately being discussed between blacks and whites that we find in Kingsblood Royal, says Charles Johnson. Perhaps only now can we fully appreciate Sinclair Lewis's astonishing achievement. Sinfully Scarred - KB. Winters 2018-03-09
