Nighty-Nightmare - James Howe 2012-01-24

An overnight camping trip! Not Harold's idea of fun. Too many mosquitoes, ticks and cockleburs. But when the Monroe family set out, their faithful dog Harold was with them, mostly because he remembered that camping could also bring s'mores and toasted marshmallows.

Howie, the other family dog, and Chester the cat were also included in the trip. Only Chester thought the idea was completely insane. The woods, he informed Harold, were not only full of cockleburs and ticks, but of spirits, evil spirits who prey on the innocent. And on this, the worst night of the year -- St. George's Eve, when all spirits are set loose -- who knew what could happen. What Harold knew was that Chester was a well read, over-stimulated cat, full of weird ideas. He did not take Chester's worries too seriously. He had s'more to think about. But then, the Monroes set up camp near two strange men and their even stranger dog, and things began to happen that made even Harold wonder. Could Chester be right? This begins a long night, full of terrors and alarms, full of Chester's horrifying tale of how Bunnacula, the vampire bunny, was born and came to America, full of storms and a total sense of danger; and at the end came surprises that even Chester could not have predicted. Once again, the Monroe family may be the victims of evil forces or only of Chester's strange imagination. But whichever, the result is suspenseful and very, very funny.

The Girl Who Could Fly - Victoria Forester 2008-06-24

You just can't keep a good girl down . . . unless you use the proper methods. Piper McCloud can fly. Just like that. Easy as pie. Sure, she hasn't mastered reverse propulsion and her turns are kind of sloppy, but she's real good at loop-the-loops. Problem is, the good folk of Lowland County are afraid of Piper. And her ma's at her wit's end. So it seems only fitting that she leave her parents' farm to attend a top-secret, maximum-security school for kids with exceptional abilities. School is great at first with a bunch of new friends whose skills range from super-strength to super-genius. (Plus all the homemade apple pie she can eat!) But Piper is special, even among the special. And there are consequences. Consequences too dire to talk about. Too crazy to consider. And too dangerous to ignore. At turns exhilarating and terrifying, Victoria Forester's debut novel has been praised by Stephenie Meyer, author of the Twilight saga, as "the oddest/sweetest mix of Little House on the Prairie and X-Men...Prepare to have your heart warmed." The Girl Who Could Fly is an unforgettable story of defiance and courage about an irrepressible heroine who can, who will, who must . . . fly. This title has Common Core connections. Praise for Victoria Forester and The Girl Who Could Fly: "It's the oddest/sweetest mix of Little House on the Prairie and X-Men. I was smiling the whole time (except for the part where I cried). I gave it to my mom, and I'm reading it to my kids—it's absolutely multigenerational. Prepare to have your heart warmed." Stephenie Meyer, author of the Twilight saga "In this terrific debut novel, readers meet Piper McCloud, the late-in-life daughter of farmers...The story soars, just like Piper, with enough loop-de-loops to keep kids uncertain about what will come next....Best of all are the book's strong, lightly wrapped messages about friendship and authenticity and the difference between doing well and doing good."-- Booklist, Starred Review "Forester's disparate

settings (down-home farm and futuristic ice-bunker institute) are unified by the rock-solid point of view and unpretentious diction... any child who has felt different will take strength from Piper's fight to be herself against the tide of family, church, and society."--The Horn Book Review *The Girl Who Could Fly* is a 2009 Bank Street - Best Children's Book of the Year.

The Name of this Book Is Secret - Pseudonymous Bosch 2008-09-01

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the *Symphony of Smells*, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

Bunnacula Strikes Again! - James Howe 2011-12-20

"Let's just say the matter is under control," Chester slyly tells his pals Harold and Howie. But what on earth does he mean? It seems that Bunnacula, the vampire rabbit, is back to his old ways -- or so Chester thinks, having found pale

vegetables drained of their juices scattered about the Monroe family kitchen. And now, once and for all, Chester is determined to save the world from this threat. But why has Bunnacula -- so frisky just a short time ago -- been so listless and tired of late? Is this part of Chester's scheme? Can Harold let Chester get away with hurting an innocent bunny, no matter what his harebrained suspicions are? It is not long before the Monroes notice Bunnacula's condition and rush him to the vet, and then the chase is on, ending up with a dramatic confrontation in a most unusual (and dangerous!) location.

(Hey, don't ask me! Read the book!) Your friend, Howie

Holes - Louis Sachar 2011-06-01

Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses.

Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. The Monroe house is going mad with excitement. Pete has just won a contest, and the prize is a school visit from none other than M. T. Graves, Pete's idol and the bestselling author of the *FleshCrawlers* series. He's even going to stay with the Monroes while he's visiting! Harold and Howie are thrilled, but Chester the cat is suspicious. Why does Graves dress all in black? Why doesn't the beady-eyed crow perched on his shoulder say anything? Why has a threatening flock of crows invaded the backyard? And most worrisome of all: In each of the *FleshCrawlers* books, why does something bad always happen to the pets? Suddenly, Graves's interest in all of the animals -- especially *Bunnicula* -- looks far from innocent. It's up to Chester, Harold, and Howie to find out if M. T. Graves and Edgar Allan Crow are really devising a plot to make their beloved bunny. . . NEVERMORE.

The Cricket in Times Square - George Selden 2022-05-31

An updated version of the timeless children's classic featuring a business-savvy mouse, a kind alley cat, and a talented country cricket, featuring a new foreword and revisions by YA author Stacey Lee. Tucker is a streetwise city mouse. He thought he'd seen it all. But he's never met a cricket before, which really isn't surprising, because, along with his friend Harry Cat, Tucker lives in the very heart of New York City—the Times Square subway station. Chester

Cricket never intended to leave his Connecticut meadow. He'd be there still if he hadn't followed the entrancing aroma of liverwurst right into someone's picnic basket. Now, like any tourist in the city, he wants to look around. And he could not have found two better guides—and friends—than Tucker and Harry. The trio have many adventures—from taking in the sights and sounds of Broadway to escaping a smoky fire. Chester makes a third friend, too. It is a boy, Mario, who rescues Chester from a dusty corner of the subway station and brings him to live in the safety of his parents' newsstand. He hopes at first to keep Chester as a pet, but Mario soon understands that the cricket is more than that. Because Chester has a hidden talent and no one—not even Chester himself—realizes that the little country cricket may just be able to teach even the toughest New Yorkers a thing or two. The Cricket in Times Square is George Selden at his best, and the new illustrations and interior images by Garth Williams make this edition a special treat.

Return to Howliday Inn - James Howe
2012-01-24

First there is the omen: A relentless rain stops suddenly at 3:00 am and Chester shows Harold and Howie a cat carrier, open and waiting, by the front door. Chester, who has been reading avidly about the paranormal, predicts that they will soon be traveling someplace, and chances are they are not going to like it. Indeed they are not, as the very next day, with the sun shining

bright and clear, the Monroes finally leave for their vacation, dropping Chester, Harold, and Howie off at the scene of some previous harrowing experiences -- Chateau Bow-Wow, the boarding kennel that Chester so aptly had dubbed "Howliday Inn." And this visit promises to be no less harrowing than the last one. The three are greeted by a whole new group of temporary residents. There's Hamlet, the Great Dane, whose sadness grows deeper with his certainty that his beloved master Archie will never return to pick him up. And Bob and Linda, a pair of yuppie puppies from fashionable Upper Centerville who have been left at Chateau Bow-Wow with a more than adequate supply of gourmet treats, also seem to have been left with a more than adequate supply of worries. Then there are Felony and Miss Demeanor, sinister sisters in crime who pride themselves as cat burglars, and The Weasel who tries almost too hard to make a good impression. Chester is certain that nothing bodes well and he is right. Unexplained voices, buried bones, a collar with the name Rosebud on it, and a secret code all make for a paranormal experience that none of the guests at Chateau Bow-Wow will ever forget.
