**1946 - 2011** - Guenther Dahloff 2012

This work offers ease of access to the ICJ's judgments and advisory opinions given between 25 March 1949 and 3 February 2012. It seeks to help scholars, practitioners and students of international public law quickly to review the Court's jurisprudence for precedents in the Court's "canon" and "case law". It allows the reader to read the judgments and opinions themselves, reduced to the unabbreviated and undistorted essence of the Court's reasoning. The work contains all the timeless elements of the Court's jurisprudence in one volume, and a highly detailed index of the relevant terms and phrases of the judgments and advisory opinions. Principles of International Law, 7th Edition - S Hall 2022-10-25

Principles of International Law is a clear, succinct and accessible guide to the cardinal concepts of public international law by covering

its structure, systematic requirements and major substantive topics. Each chapter contains a clear statement of objectives, a list of key instruments and authorities, a lucid statement of the law, original analysis and commentary, extracts from treaties and other legal instruments, and helpful case summaries and extracts. Problem questions with suggested responses, further discussion questions and an appendix of basic documents are included. The volume provides clear guidance to scholars, legal practitioners and students of law or international relations seeking to improve their knowledge and to extend their understanding of this important subject. The seventh edition is updated and revised to incorporate the most recent developments in international law across a wide range of areas. Recent decisions of the International Court of Justice, the International Criminal Court and other international and domestic tribunals have been added. The extended coverage includes: \* the role of natural law in the juridical

foundations of modern international law and human rights \* a refinement of what constitutes State practice (usus) \* the ILC's Guide to Provisional Application of Treaties \* matters relevant to the interpretation of treaties \* incorporation of customary international law into Australia's common law \* the ICJ's Chagos advisory opinion on self-determination \* effective control of State organs placed at an international organisation's disposal \* the ICJ's judgments in Armed Activities in the Territory of the Congo (Congo v Uganda) and Jadhav (India v Pakistan) on State responsibility \* juridical origins and foundations of peremptory norms of general international law (jus cogens) \* the ICJ's disposal of preliminary objections on non-exhaustion of local remedies in Ukraine v Russia \* the ILC's Draft Articles on the Prevention and Punishment of Crimes Against Humanity in respect of alleged offenders of crimes against humanity who are present in a State's territory \* the judgment of the UK Supreme Court in

Bancourt, on the loss of inviolability of a diplomatic mission's documents and official correspondence \* the ICJ's judgment in Equatorial Guinea v France on designating a property with the status of "premises of the [diplomatic] mission" \* non-existence of proprietary rights for individuals in respect of terra nullius \* the ICJ's decision on jurisdiction and admissibility in Obligations Concerning Negotiations (Marshall Islands v India) \* a refinement of proof in proceedings before the ICJ \* application of the Torture Convention to cover conduct persons acting in an official capacity on behalf of an entity exercising de facto governmental control over a population \* the ILC's Draft Articles on Crimes Against Humanity \* clarification of command responsibility by the ICC in Prosecutor v Bemba \* the UN Human Rights Committee's General Comments No 36 on the right to life and No 37 on the right of peaceful assembly \* the judgment of ITLOS in Norstar (Panama v Italy) on

*Decisions of the World Court relevant to the UN Convention on the Law of the Sea [electronic resource] - Barbara Kwiatkowska 2002-05-07*

This pioneering publication provides A Reference Guide to the significant contributions of decisions of the World Court, as the principal judicial organ of the United Nations and the world's most senior Court with the broadest material jurisdiction, to the development of the law of the sea as a part of the global system of peace and security. The Guide is dedicated to the Court's former President Stephen M. Schwebel in appreciation of his belief that it is important for the Court to further explore its pre-eminently unique role throughout the Third Millennium. Whereas the format of specific entries covered by this Reference Guide largely corresponds to the Parts and Annexes of the

1982 UN Law of the Sea Convention (UNCLOS) and the 1994 Part XI Agreement, the heading of each entry also contains, as appropriate, references to the 1930 League of Nations Hague Draft, the four 1958 UN Geneva Conventions and the 1995 UN Straddling Stocks Agreement, as well as to the 1972 UN Stockholm, the 1992 Rio UNCED and the 2002 Johannesburg instruments. This will enable the reader to relate the Court's decisions to the respective UNCLOS provisions as originated from and as implemented by these global framework instruments at various stages of codification and progressive development of the law of the sea. The entries cover principally Judgments and Orders (including the related pleadings) of the PCIJ and the ICJ and those decisions of Arbitral Tribunals and other third party fora as well as national courts which have been relied upon in the Court's jurisprudence. In addition, the recent decisions of the ITLOS and some other fora, such as the Annex VII Southern Bluefin Tuna,

Singapore v. Malaysia, Barbados/Trinidad and Tobago, Guyana/Suriname and the Mox Plant Arbitral Tribunals, as well as references to treaties are also listed under specific entries as appropriate. Tables of Cases and Treaties will importantly facilitate the use of A Reference Guide. It has proven to be an indispensable tool for the Judges and governmental and other practitioners in furthering the coherent development of the law of the sea by international courts and tribunals on the one hand, and for international community of academics in the adequate assessing of this development on the other hand.

### **Court Delay and Human Rights Remedies -**

Caroline Savvidis 2016-06-23

This book brings legal and academic perspective to the theory and practice surrounding the right to a fair hearing within a reasonable time. This field of rights has been somewhat neglected academically, a fact which jars with the sheer volume of case law budding from this single,

simple, fundamental right, bearing testimony to the widespread concern with delay in judicial proceedings which transcends the boundaries of states or legal systems. The work provides a blueprint for analysing the effectiveness of legal remedies across entire legal systems, as well as in any given individual case. The first part focuses on deriving legal principles from the body of jurisprudence of the European Court of Human Rights in Strasbourg, while the second part contains illustrations of the practical application of such principles. The content constitutes essential reading for students, academics, lawyers, judges, practitioners and all those who wish to understand the issue of delay in judicial proceedings, and the legal context of available remedies. The author aims to raise awareness about the human rights issues which come into play when delivery of justice is delayed, and to provide both an academic and practical reference.

This book provides a reference guide to the case law of the Inter-American Court of Human Rights. Structured in two parts, it covers the case law on jurisdiction and procedure before the Court and the case law on the scope of particular rights, drawing comparisons with the case law of the European Court of Human Rights.

**Reports of Judgments and Decisions, 2009 /  
Recueil Des Arrêts Et Décisions, 2009 -**

European Court of Human Rights 2013-11-27  
The European Court of Human Rights is an international court based in Strasbourg and is part of the Council of Europe. The Court rules on individual or inter-State applications alleging violations of the rights and freedoms set out in the European Convention on Human Rights by any of the Council's 47 Member States. The Court's case-law makes the Convention a powerful living instrument for consolidating the rule of law and democracy in Europe. Reports of

Judgments and Decisions is the official series of leading cases selected by the most senior judges at the Court because of their high jurisprudential interest. Each judgment and decision is published in English and French and is preceded by a summary - including case description, keywords, and key notions - for ease of reference. The Reports are primarily designed for legal professionals, libraries, and academics. Wolf Legal Publishers is proud to present the Reports of Judgments and Decisions series, formerly published by Carl Heymanns Verlag. Each volume contains a series of cases or extracts of cases, preceded by a summary prepared by the Registry. Each summary contains a case description, keywords, and key notions, in addition to the facts of the case and the Court's main findings. Cases will continue to be presented in five or six volumes published every year, accompanied by an index listing them, both alphabetically (by applicant and by respondent State) and analytically (by Article(s)

of the European Convention on Human Rights).

Crawford 2017-12-28

Could a feminist perspective change the shape of tax laws? Feminist reasoning and analysis are recognized as having tremendous potential to affect employment discrimination, sexual harassment, and reproductive rights laws - but they can likewise transform tax law (as well as other statutory or code-based areas of the law). By highlighting the importance of perspective, background, and preconceptions on reading and interpreting statutes, this volume shows what a difference feminist analysis can make to statutory interpretation. *Feminist Judgments: Rewritten Tax Opinions* brings together a group of scholars and lawyers to rewrite tax decisions in which a feminist emphasis would have changed the outcome, the court's reasoning, or the future direction of the law. Featuring cases including medical expense deductions for fertility treatment, gender confirmation surgery, tax benefits for married individuals, the tax treatment of tribal lands, and business expense deductions, this volume opens the way for a

discussion of how viewpoint is a key factor in statutory interpretation.

The importance of the discipline of textual criticism received an enormous boost from the discovery of the Dead Sea Scrolls showing that the study of these ancient documents is absolutely necessary for the exegesis of the Biblical literature. *Textus* covers that area as well as many additional ones, pertaining to all the fields that are traditionally studied by textual critics.

*The European Court of Justice and the Policy Process* - Susanne K. Schmidt 2018

This book analyses the European Court of Justice's power from a political-science

perspective. It argues that this power can be assessed through studying the policy implications of there being a supranational constitution that was drafted as an international treaty. An international treaty contains a set of policy goals for future cooperation. Direct effect and supremacy give constitutional status to these policy goals, allowing the Court to develop the Treaty's implications for policymaking at the European and the member-state levels. By focusing on the four freedoms (of goods, services, persons, and capital) and citizenship rights, the book analyses the implications of case law for policymaking in different case studies. It shows how major EU legislation (for instance, the Services and Citizenship Directives) are significantly influenced by case law and how controversial policies, such as EU citizens' access to tax-financed social benefits, are closely linked to the Court.

Helmut P. Aust 2021-04-30

This insightful book considers how the European Court of Human Rights (ECHR) is faced with numerous challenges which emanate from authoritarian and populist tendencies arising across its member states. It argues that it is now time to reassess how the ECHR responds to such challenges to the protection of human rights in the light of its historical origins.

The International Tribunal for the Law of the Sea is an independent judicial body established by the United Nations Convention on the Law of the Sea to adjudicate disputes arising out of the interpretation and application of the Convention. The Tribunal is open to States Parties to the Convention and, in certain cases, to entities other than States Parties (such as international organizations and natural or legal persons). The jurisdiction of the Tribunal comprises all disputes submitted to it in accordance with the Convention. It also extends to all matters specifically provided for in any other agreement which confers jurisdiction on the Tribunal. This volume contains the texts of the judicial decisions rendered by the Tribunal in the years 2008 to 2010 in English and French. Le Tribunal international du droit de la mer est un organe judiciaire indépendant créé par la Convention des

Nations Unies sur le droit de la mer pour connaître des différends relatifs à l'interprétation et à l'application de la Convention. Le Tribunal est ouvert aux États Parties à la Convention et, dans certains cas, des entités autres que les États Parties (telles que des organisations internationales et des personnes physiques et morales). La compétence du Tribunal s'étend tous les différends qui lui sont soumis conformément à la Convention. Elle s'étend également à toutes les matières prévues de manière spécifique dans tout autre accord qui confère compétence au Tribunal. Le présent volume contient le texte en français et en anglais des décisions rendues par le Tribunal au cours des années 2008-2010.

[Can the European Court of Human Rights Shape European Public Order?](#) - Kanstantsin Dzehtsiarou 2021-11-30

In this book, Kanstantsin Dzehtsiarou argues that, from the legal perspective, the formula 'European public order' is excessively vague and does not have an identifiable meaning;

therefore, it should not be used by the European Court of Human Rights (ECtHR) in its reasoning. However, European public order can also be understood as an analytical concept which does not require a clearly defined content. In this sense, the ECtHR can impact European public order but cannot strategically shape it. The Court's impact is a by-product of individual cases which create a feedback loop with the contracting states. European public order is influenced as a result of interaction between the Court and the contracting parties. This book uses a wide range of sources and evidence to substantiate its core arguments: from a comprehensive analysis of the Court's case law to research interviews with the judges of the ECtHR.
