If you're tired of your usual boring German textbook, grab your copy of this book and start learning German grammar the un-boring way today!

Basic German - Heiner Schenke 2004

Suitable for both independent study and class use, this text comprises an accessible reference grammar and related exercises in a single volume.

Französisch ganz leicht Jubiläumsausgabe - 2015-02

Kiezenglish - Lindsay Preseau 2020-12-14

Is English a threat to language diversity in Europe? This question has been hotly debated in language policy and planning in Germany and the EU, particularly in institutional and business contexts. However, the effects of English on non-official minority speech communities, such as speakers of immigrant languages and multiethnolects, are rarely addressed in this context. This book presents two case studies involving speakers of multiethnolects and refugee youth in Germany which show that these populations, stereotyped as non-proficient English speakers, are using English in creative and innovative ways. For these communities, speaking English is not a choice, but a matter of the ability to survive, to cross borders, and to create new identities in a foreign country. Drawing on corpus linguistic and ethnographic fieldwork data, this book sheds light on how validating these (standard and non-standard) Englishes represents an important act of empowerment and social justice for these communities. Situated at the interdisciplinary intersection of sociolinguistics and applied linguistics, this book is of broad appeal to linguists, language educators, language policy makers, and to the German Studies community at large.

German Made Simple - Arnold Leitner, PhD 2011-04-06

Learning German Has Never Been Easier! Whether you are studying the language in school, planning a trip to Germany or Austria, or trying to learn the basics of the language closest to English, German Made Simple is the perfect book for any self-learner. understand, German Made Simple includes: • Basics of German grammar • Modern German vocabulary • German pronunciation guide • German reading exercises • German economic information • Common German expressions • Review exercises • Complete answer key • German-English dictionary

Short Stories in German for Beginners - Olly Richards 2018-10-02

German Short Stories for Beginners is written especially for students from beginner to intermediate level (A1-B1 on the Common European Framework of Reference). The eight captivating stories are designed to give you a sense of achievement and a feeling of progress when reading. You'll finally be able to enjoy reading in German, grow your vocabulary in a natural way, and improve your comprehension at the same time. Based on extensive research into how people most enjoy and benefit from reading in a new language, this book eliminates all the frustrations you have experienced when trying to read in German: Dull topics that are no fun to read Books so long you never reach the end Endless chapters that make you want to give up Impenetrable grammar that frustrates you at every turn Complex vocabulary that leaves you with your head buried in the dictionary Instead, you can just concentrate on what you came for in the first place - enjoying reading and having fun! If you're learning German and enjoy reading, this is the book you need to rekindle your passion for the language and take your German to the next level!

Germans Going Global - Anke S. Biendarra 2012-10-30

Germans Going Global is the first monograph in English to address in depth the interrelatedness between contemporary German literature and globalization. In an interdisciplinary framework and through detailed readings of a wide variety of texts, the study shows how the challenges globalization has posed for Germany over the last two decades have been manifested and reimagined in aesthetic production. Analyses of the literary marketplace and public debates illuminate the more material sides of this development. The study also analyzes the ways in which German-language writers born between 1955 and 1975, such as Chr. Kracht, Th. Meinecke, J. Hermann, S. Berg, F. Illies, K. Röggla, J. v. Düffel, and G. Hens, respond to the pressures of globalizing factors, and how these have influenced notions of authorship and literary aesthetics. It shows how narratives dealing with the neoliberal work world, global travel, and the aftermath of 09/11 implicitly comment on contemporary debates on globalization, its socio-economic nature, and the impact for local culture. By presenting a literary history of the present, Germans Going Global deepens the reader's understanding of contemporary Germany and its cultural production.

The Turns of Translation Studies - Mary Snell-Hornby 2006-06-09

What's new in Translation Studies? In offering a critical assessment of recent developments in the young discipline, this book sets out to provide an answer, as seen from a European perspective today. Many "new" ideas actually go back well into the past, and the German Romantic Age proves to be the starting-point. The main focus lies however on the last 20 years, and, beginning with the cultural turn of the 1980s, the study traces what have turned out since then to be ground-breaking contributions (new paradigms) as against what was only a change in position on already established territory (shifting viewpoints). Topics of the 1990s include nonverbal communication, gender-based Translation Studies, stage translation, new fields of interpreting studies and the effects of new technologies and globalization (including the increasingly dominant role of English). The author's aim is to stimulate discussion and provoke further debate on the current profile and future perspectives of Translation Studies.

Teaching English Grammar - Jim Scrivener 2012

German All-in-One For Dummies - Wendy Foster 2013-06-05

Language Hacking German - Benny Lewis 2017-11-14

It's true that some people spend years studying German before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of German, #LanguageHacking shows you how to learn and speak German through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks - shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in German from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book. You don't need to go abroad to learn a language any more.

Langenscheidt Grundwortschatz Deutsch - Basic Vocabulary German (with English Translations and Explanations) - Langenscheidt (Firm) 2018-03

"4000 words, phrases and sample sentences arranged by topic. Easily accessible information on grammar, plural and verb forms, and usage."--Back cover.

Bi- and multilingual universities: European perspectives and beyond - Daniela Veronesi 2009

This collection of the proceedings of the 3rd conference on bi- and multilingual universities, held at the Free University of Bozen-Bolzano from 20 to 22 September 2007, tries to give a state-of-the-art insight into theoretical and practical approaches towards implementing bi- and multilingual models and policies in higher education institutions in various parts of the world.

Ready for CAE: Ready for Advanced. Workbook with Audio-CD and Key - Roy Norris 2014-04

German Short Stories for Beginners: 20 Captivating Short Stories to Learn German & Grow Your Vocabulary the Fun Way! - Lingo Mastery 2019-02-20

Do you know what the hardest thing for a German learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them to search for words in a dictionary every five minutes - it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful German tongue. How *German Short Stories for Beginners* works: Each story is interesting and entertaining with realistic dialogues and day-to-day situations. The summaries follow a synopsis in German and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in German, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of *German Short Stories for Beginners* and start learning German right now! This book has been written by a native German author and is recommended for A2+ level learners.

Deutsch Ohne Mühe Heute - Hilde Schneider 1994-06-01

Roman Imperialism and Runic Literacy - Svante Fischer 2005

Modern German Grammar - Ruth Whittle 2013-03-01

Modern German Grammar: A Practical Guide, Third Edition is an innovative reference guide to German, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. Part A covers grammatical categories such as word order, nouns, verbs and adjectives. Part B is organised according to language functions and notions such as: making introductions asking for something to be done delivering a speech possibility satisfaction. The book addresses learners' practical needs and presents grammar in both a traditional and a communicative setting. New to this edition, and building on feedback from the previous edition: The rules of the latest (and so far final) spelling reform have been implemented throughout. Examples of usage have been updated and consideration given to Swiss and Austrian variants. The chapter on register has been expanded and now includes youth language and frequently used Anglicisms in German. The Index now has even more key words; it has also been redesigned to differentiate between German words, grammar terms, and functions, thus making it more user-friendly. The Grammar assumes no previous grammatical training and is intended for all those who have a basic knowledge of German, from intermediate learners in schools and adult education to undergraduates taking German as a major or minor part of their studies. The Grammar is accompanied by a third edition of *Modern German Grammar Workbook* (ISBN 978-0-415-56725-1) which features exercises and activities directly linked to the Grammar. Ruth Whittle is Lecturer, John Klapper is Professor of Foreign Language Pedagogy, Katharina Glöckel is the Austrian Lektorin and Bill Dodd is Professor of Modern German Studies - all at the University of Birmingham. Christine Eckhard-Black is Tutor and Advisor in

German at the Oxford University Language Centre.

German Made Simple - Arnold Leitner, PhD 2006-05-16

Learning German Has Never Been Easier! Whether you are studying the language in school, planning a trip to Germany or Austria, or trying to learn the basics of the language closest to English, German Made Simple is the perfect book for any self-learner. Void of all nonessentials and refreshingly easy to understand, German Made Simple includes: • Basics of German grammar • Modern German vocabulary • German pronunciation guide • German reading exercises • German economic information • Common German expressions • Review exercises • Complete answer key • German-English dictionary

Network Now - Victoria Adams 2012

Handbook of Easy Languages in Europe - Ulla Vanhatalo 2021-07-26

The Handbook of Easy Languages in Europe describes what Easy Language is and how it is used in European countries. It demonstrates the great diversity of actors, instruments and outcomes related to Easy Language throughout Europe. All people, despite their limitations, have an equal right to information, inclusion, and social participation. This results in requirements for understandable language. The notion of Easy Language refers to modified forms of standard languages that aim to facilitate reading and language comprehension. This handbook describes the historical background, the principles and the practices of Easy Language in 21 European countries. Its topics include terminological definitions, legal status, stakeholders, target groups, guidelines, practical outcomes, education, research, and a reflection on future perspectives related to Easy Language in each country. Written in an academic yet interesting and understandable style, this Handbook of Easy Languages in Europe aims to find a wide audience.

A Frequency Dictionary of German - Randall Jones 2015-06-03

A Frequency Dictionary of German is an invaluable tool for all learners of German, providing a list of the

4,034 most frequently used words in the language. Based on a 4.2 million-word corpus which is evenly divided between spoken, fiction and non-fiction texts, the dictionary provides a detailed frequency-based list plus alphabetical and part of speech indexes. All entries in the rank frequency list feature the English equivalent, a sample sentence plus an indication of major register variation. The dictionary also contains twenty-one thematically organized lists of frequently used words on a variety of topics as well as eleven special vocabulary lists. A Frequency Dictionary of German aims to enable students of all levels to maximize their study of German vocabulary in an efficient and engaging way.

Crossing Languages to Play with Words - Sebastian Knospe 2016-09-26

Wordplay involving several linguistic codes is an important modality of ludic language. This volume offers a multidisciplinary approach to the topic, discussing examples from different epochs, genres, and communicative situations. The contributions illustrate the multi-dimensionality, linguistic make-up, and the special interactive potential of wordplay across linguistic and cultural boundaries, including the challenging practice of translation.

501 German Verbs - Henry Strutz 1972

German - Joseph Rosenberg 1967-06-01

Filled with dialogues, grammar and idiom studies, and practical exercises, this is probably the most delightful, useful, and comprehensive elementary book available for learning spoken and written German. In addition, the book features 28 sketches of specific scenes with pertinent items numbered and identified in both German and English. Includes 330 photographs and illustrations.

Deutsch ganz leicht A1 - Renate Luscher 2011

"Der leichte Weg zu ersten Deutschkenntnissen: Die neue Reihe Deutsch ganz leicht A1 führt Anfänger ohne oder mit geringen Vorkenntnissen Schritt für Schritt zum Niveau A1. Vier Personen begleiten den Lerner in zwei fortlaufenden Geschichten durch den Kurs und geben einen authentischen Einblick in ihr Privat- und Berufsleben. So können Alltagssituationen nach Absolvierung des Kurses problemlos gemeistert werden."--Publisher.

Spaces and Identities in Border Regions - Christian Wille 2015-11-30

Spatial and identity research operates with differentiations and relations. These are particularly useful heuristic tools when examining border regions where social and geopolitical demarcations diverge. Applying this approach, the authors of this volume investigate spatial and identity constructions in cross-border contexts as they appear in everyday, institutional and media practices. The results are discussed with a keen eye for obliquely aligned spaces and identities and relinked to governmental issues of normalization and subjectivation. The studies base upon empirical surveys conducted in Germany, France, Belgium and Luxembourg.

Treffpunkt Deutsch - E. Rosemarie Widmaier 2008-06-10

Deutsch kompakt, Deutsch als Fremdsprache - Renate Luscher 2013

Zuletzt besprochen in BA 3/04. - Das Kursset im wenig stabilen Klappkarton besteht aus dem 2-sprachigen

Arbeitsbuch, dem für alle Ausgaben identischen deutschen Textbuch und 3 CDs. Die Veränderungen zur Originalausgabe (lag zum Vergleich nicht vor) scheinen nicht allzu gross ausgefallen zu sein, der Umfang des Textbuches ist gleich geblieben, der des Arbeitsbuches um eine Seite gewachsen. Da die Hueber-Kurse für verschiedene Ausgangssprachen konkurrenzlos und zudem preiswert sind sowie als Selbstlernkurs gut funktionieren, lohnt sich Anschaffung auf jeden Fall. Möchte man nicht alle Sprachen anbieten, ist die englischsprachige Ausgabe vorrangig. Zwiespältig ist die Lage für Besitzer der Titel "Deutsch ganz leicht!" für A1 (alle ID-A 41/11), denn diese sind als Einheit 1-15 Teil der "Deutsch kompakt"--Kurse. Hier muss man abwägen, ob die Erweiterung auf A2 den Doppelkauf lohnt. Ein Ersatz der Voraufgaben vor 2006 ist wegen der Rechtschreibreform sinnvoll

Easy Language - Plain Language - Easy Language Plus - Christiane Maaß 2020-09-11

This book shows how accessible communication, and especially easy-to-understand languages, should be designed in order to become instruments of inclusion. It examines two well-established easy-to-understand varieties: Easy Language and Plain Language, and shows that they have complementary profiles with respect to four central qualities: comprehensibility, perceptibility, acceptability and stigmatisation

potential. The book introduces Easy and Plain Language and provides an outline of their linguistic, sociological and legal profiles: What is the current legal framework of Easy and Plain Language? What do the texts look like? Who are the users? Which other groups are involved in the production and use of Easy and Plain Language offers? Which qualities are a hazard to acceptability and, thus, enhance their stigmatisation potential? The book also proposes another easy-to-understand variety: Easy Language Plus. This variety balances the four qualities and is modelled in the present book.

The Everything Essential German Book - Edward Swick 2013-07-18

Learn to speak and write German like a pro! Need a quick introduction to the German language? Whether you're planning a vacation, adding a valuable second language to your resume, or simply brushing up on your skills, The Everything Essential German Book is your perfect guide for learning to speak and write in German.
