Building Vocabulary: Level 2
Kit - Timothy Rasinski, Nancy Padak, Rick M. Newton, and Evangeline Newton 2009-08-31 Building Vocabulary provides a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Over 90%

of English words of two or more syllables are of Greek or Latin origin. Instead of learning words and definitions in isolation, students learn key roots and strategies for deciphering words and their meanings across all content areas. Building Vocabulary: Foundations for grades 1-2, empowers beginning readers to learn words by identifying

word parts or word families that share common sounds. Students will build vocabulary through the use of poetry, word endings, and simple roots.

Building Vocabulary:

Foundations: Level 2 kit includes: Teacher's Guide; Student Guided Practice Book (Each kit includes a single copy; additional copies may be ordered in quantities of 10 or more); Assessments to support data-driven instruction; and Digital resources including modeled lessons, 50 bonus activities, and more.

Supervision for Today's Schools - George E. Pawlas
2007-06-29

A highly respected overview of the field of instructional supervision that covers the

three domains of supervision: instructional development, curriculum development, and staff development. The authors adhere to the beliefs that supervisors should look at teaching before looking at the teacher, and that the supervisor should look at the classroom and school environment within the context of instruction. Continuing in approach and philosophy as previous editions, the Eighth Edition will continue to lean toward practice, with heavy emphasis on the supervisor's responsibilities as an instructor.

Grammar for Teachers - Andrea DeCapua 2008-01-31

The purpose of Grammar for Teachers is to encourage readers to develop a solid understanding of the use and function of grammatical structures in American English. It approaches grammar from a descriptive rather than a prescriptive approach; however, throughout the book differences between formal and informal language, and spoken and written English are discussed. The book avoids jargon or excessive use of technical terminology. It makes the study of grammar

interesting and relevant by presenting grammar in context and by using authentic material from a wide variety of sources.
