Claire Randall is leading a double life. She has a husband in one century, and a lover in another... In 1945, Claire Randall, a former combat nurse, is back from the war and reunited with her husband on a second honeymoon—when she innocently touches a boulder in one of the ancient stone circles that dot the British Isles. Suddenly she is a Sassenach—an "outlander"—in a Scotland torn by war and raiding border clans in the year of our Lord...1743. Hurlled back in time by forces she cannot understand, Claire's destiny is soon inextricably intertwined with Clan MacKenzie and the forbidden Castle Leoch. She is catapulted without warning into the intrigues of lairds and spies that may threaten her life ...and shatter her heart. For here, James Fraser, a gallant young Scots warrior, shows her a passion so fierce and a love so absolute that Claire becomes a woman torn between fidelity and desire...and between two vastly different men in two irreconcilable lives.

John Keats and Romantic Scotland - Katie Garner 2022-03-24

Between 22 June and 18 August 1818, John Keats and his friend and collaborator Charles Armitage Brown embarked on an epic walking tour of the English Lake District, South West Scotland, Northern Ireland, the Ayrshire Burns

Country, the Scottish Highlands and Western Isles, and the Great Glen north eastwards to Inverness, Beaulieu, the Black Isle, and Cromarty. During the tour, Keats and Brown both wrote extensive and detailed accounts of their experiences. The twelve new essays in this collection each explore the significance of the 1818 tour for understanding Keats's achievements, ranging across topics such as the contemporary Highland tour; Scottish literature, history, landscape and culture; Romantic responses to Robert Burns's life, works and places; and Keats's health and influence on Scottish artists.
