Maus, Vol. 1 - Art Spiegelman
1986

The author-illustrator traces his father's imprisonment in a Nazi concentration camp through a series of disarming and unusual cartoons arranged to tell the story as a novel.

Runaway - Alice Munro
2011-06-22

"Runaway" is the first story in this stunning collection, sure to be a runaway success. All of the eight stories here are new, published in book form for the

first time. Two of the eight have never appeared anywhere, so this will be a special feast for the millions of Munro fans around the world. Miraculously, these stories seem to have been written by a young writer at the peak of her powers. Alice Munro's central characters range from 14-year-old Lauren in "Trespass," through the young couple in "Runaway," whose helpful older neighbour intervenes to help the wife escape, all the

way to a 70-year-old woman meeting a friend of her youth on a Vancouver street and sitting with him to recall their tangled lives fifty years earlier, through a web of cheerful lies. Three of the stories, "Chance," "Soon," and "Silence," are linked, showing us how the young teacher Juliet meets her fisherman lover on a train (and, by terrible chance, visits his B.C. home on the day after his wife's funeral); how, years later, she brings baby Penelope back east to show her parents and learns sad secrets about their marriage; and how, twenty years on, she visits the estranged Penelope in her cult-like B.C. community. The result is more powerful than most novels, a quality in Alice Munro's stories that has been noted by many reviewers. The final story, "Powers," spans 50 years and runs from Goderich to Vancouver and involves a cast of four characters, each of whom steps forward to dominate the scene, not least Tessa, the plain girl whose psychic powers take her on the vaudeville circuit. But it is

Alice Munro's own powers that dominate this collection and that will amaze reviewers and readers. How can she keep getting better? How can any one person know so much about the heads and hearts of so many different people? And how can she weave them together in stories that delight academics and ordinary readers alike, making each new Alice Munro book a runaway bestseller?

Day of Tears - Julius Lester

When gambling debts and greed enter into the Butler household, Pierce Butler decides to host a slave auction and breaks his promise by selling Emma, his most-valued slave and caretaker of his children--a decision that brings about unthinkable consequences

Nine Days - Toni Jordan
2012-08-22

It is 1939 and although Australia is about to go to war, it doesn't quite realise yet that the situation is serious. Deep in the working-class Melbourne suburb of Richmond it is

business—your own and everyone else’s—as usual. And young Kip Westaway, failed scholar and stablehand, is living the most important day of his life.

The House on Mango Street - Sandra Cisneros 2013-04-30 NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes-sometimes heartbreaking, sometimes deeply joyous-Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. "Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare

prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review

They Called Us Enemy - Expanded Edition - George Takei 2020-08-26

The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every

person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. THEY CALLED US ENEMY is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

Postmodern Perspectives - Howard Risatti 1998
Exploring the relationship between contemporary art, culture, and society, this book offers non-specialists a guide to the general structure and focus of Postmodern critical discourse, preparing them to understand the origins,

theories, and interrelated ideas of Postmodern art and art criticism within a broader social and political context. Organizes material into six groups of essays—each centering around a specific idea/issue and delineating the main philosophical, theoretical, and critical approaches that have shaped criticism in the Postmodern period. Provides an introductory essay before each group explaining the origin, contextual background, and central issue of the topic, followed by a series of articles reprinted from various sources. Presents the ideas and readings chronologically, showing their interrelationships. Discusses issues of minority, quality, cultural dominance, feminism as a model for the marginality argument, and the museum as a site of cultural representation. For art historians.

Persepolis - Marjane Satrapi
2003-04-29

BEST SELLER • A NEW YORK TIMES NOTABLE BOOK •

Wise, funny, and

heartbreaking, Persepolis is Marjane Satrapi's acclaimed graphic memoir of growing up in Iran during the Islamic Revolution. "A wholly original achievement.... Satrapi evokes herself and her schoolmates coming of age in a world of protests and disappearances.... A stark, shocking impact."

—The New York Times: "The 50 Best Memoirs of the Past 50 Years" In powerful black-and-white comic strip images, Satrapi tells the coming-of-age story of her life in Tehran from ages six to fourteen, years that saw the overthrow of the Shah's regime, the triumph of the Islamic Revolution, and the devastating effects of war with Iraq. The intelligent and outspoken only child of committed Marxists and the great-granddaughter of one of Iran's last emperors, Marjane bears witness to a childhood uniquely entwined with the history of her country. Persepolis paints an unforgettable portrait of daily life in Iran and of the bewildering contradictions between home life and public

life. Marjane's child's-eye view of dethroned emperors, state-sanctioned whippings, and heroes of the revolution allows us to learn as she does the history of this fascinating country and of her own extraordinary family. Intensely personal, profoundly political, and wholly original, Persepolis is at once a story of growing up and a reminder of the human cost of war and political repression. It shows how we carry on, with laughter and tears, in the face of absurdity. And, finally, it introduces us to an irresistible little girl with whom we cannot help but fall in love.

The thrilling sequel to the Hugo and Nebula-winning *Binti* by Nnedi Okorafor, and a

finalist for the 2018 Hugo and Nommo Awards. It's been a year since *Binti* and Okwu enrolled at Oomza University. A year since *Binti* was declared a hero for uniting two warring planets. A year since she found friendship in the unlikeliest of places. And now she must return home to her people, with her friend Okwu by her side, to face her family and face her elders. But Okwu will be the first of his race to set foot on Earth in over a hundred years, and the first ever to come in peace. After generations of conflict can human and Meduse ever learn to truly live in harmony? The *Binti* Series Book 1: *Binti* Book 2: *Binti: Home* Book 3: *Binti: The Night Masquerade* Praise for Nnedi Okorafor: "*Binti* is a supreme read about a sexy, edgy Afropolitan in space! It's a wondrous combination of extra-terrestrial adventure and age-old African diplomacy. Unforgettable!" - Wanuri Kahiu, award winning Kenyan film director of *Pumzi* and *From a Whisper* "A perfect dove-tailing of tribal and

futuristic, of sentient space ships and ancient cultural traditions, Binti was a beautiful story to read.” - Little Red Reviewer “Binti is a wonderful and memorable coming of age story which, to paraphrase Lord of the Rings, shows that one girl can change the course of the galaxy.” - Geek Syndicate “Binti packs a punch because it is such a rich, complex tale of identity, both personal and cultural... and like all of Nnedi Okorafor’s works, this one is also highly, highly recommended.” - Kirkus Reviews "There's more vivid imagination in a page of Nnedi Okorafor's work than in whole volumes of ordinary fantasy epics." -Ursula Le Guin "Okorafor's impressive inventiveness never flags." - Gary K. The Lucifer Effect - Philip Zimbardo 2008-01-22

The definitive firsthand account of the groundbreaking research of Philip

Zimbardo—the basis for the award-winning film *The Stanford Prison Experiment*. Renowned social psychologist and creator of the Stanford Prison Experiment Philip Zimbardo explores the mechanisms that make good people do bad things, how moral people can be seduced into acting immorally, and what this says about the line separating good from evil. *The Lucifer Effect* explains how—and the myriad reasons why—we are all susceptible to the lure of “the dark side.” Drawing on examples from history as well as his own trailblazing research, Zimbardo details how situational forces and group dynamics can work in concert to make monsters out of decent men and women. Here, for the first time and in detail, Zimbardo tells the full story of the Stanford Prison Experiment, the landmark study in which a group of college-student volunteers was randomly divided into “guards” and “inmates” and then placed in a mock prison environment. Within a week the study was

abandoned, as ordinary college students were transformed into either brutal, sadistic guards or emotionally broken prisoners. By illuminating the psychological causes behind such disturbing metamorphoses, *Zimbaro* enables us to better understand a variety of harrowing phenomena, from corporate malfeasance to organized genocide to how once upstanding American soldiers came to abuse and torture Iraqi detainees in Abu Ghraib. He replaces the long-held notion of the “bad apple” with that of the “bad barrel”—the idea that the social setting and the system contaminate the individual, rather than the other way around. This is a book that dares to hold a mirror up to mankind, showing us that we might not be who we think we are. While forcing us to reexamine what we are capable of doing when caught up in the crucible of behavioral dynamics, though, *Zimbaro* also offers hope. We are capable of resisting evil, he

argues, and can even teach ourselves to act heroically. Like Hannah Arendt’s *Eichmann in Jerusalem* and Steven Pinker’s *The Blank Slate*, *The Lucifer Effect* is a shocking, engrossing study that will change the way we view human behavior. Praise for *The Lucifer Effect* “The *Lucifer Effect* will change forever the way you think about why we behave the way we do—and, in particular, about the human potential for evil. This is a disturbing book, but one that has never been more necessary.”—Malcolm Gladwell “An important book . . . All politicians and social commentators . . . should read this.”—*The Times* (London) “Powerful . . . an extraordinarily valuable addition to the literature of the psychology of violence or ‘evil.’”—*The American Prospect* “Penetrating . . . Combining a dense but readable and often engrossing exposition of social psychology research with an impassioned moral seriousness, *Zimbaro* challenges readers to look beyond glib denunciations of evil-doers and

ponder our collective responsibility for the world's ills."—Publishers Weekly "A sprawling discussion . . .

Zimbardo couples a thorough narrative of the Stanford Prison Experiment with an analysis of the social dynamics of the Abu Ghraib prison in Iraq."—Booklist "Zimbardo bottled evil in a laboratory. The lessons he learned show us our dark nature but also fill us with hope if we heed their counsel. The Lucifer Effect reads like a novel."—Anthony Pratkanis, Ph.D., professor emeritus of psychology, University of California

Selection Barnes & Noble Discover Great New Writers Spring 2017 Selection ALA 2018 Notable Books Selection

An intimate and poignant graphic novel portraying one

family's journey from war-torn Vietnam, from debut author Thi Bui. This beautifully illustrated and emotional story is an evocative memoir about the search for a better future and a longing for the past. Exploring the anguish of immigration and the lasting effects that displacement has on a child and her family, Bui documents the story of her family's daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of Bui's story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what it means to be a parent—the endless sacrifices, the unnoticed gestures, and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing and breathtaking art, she examines the strength of family, the importance of identity, and the meaning of home. In what Pulitzer

Prize-winning novelist Viet Thanh Nguyen calls “a book to break your heart and heal it,” *The Best We Could Do* brings to life Thi Bui’s journey of understanding, and provides inspiration to all of those who search for a better future while longing for a simpler past.

Beyond MAUS. The Legacy of Holocaust Comics collects 16 contributions that shed new

light on the representation of the Holocaust. While *MAUS* by Art Spiegelman has changed the perspectives, other comics and series of drawings, some produced while the Holocaust happened, are often not recognised by a wider public. A plethora of works still waits to be discovered, like early caricatures and comics referring to the extermination of the Jews, graphic series by survivors or horror stories from 1950s comic books. The volume provides overviews about the depictions of Jews as animals, the representation of prisoner societies in comics as well as in depth studies about distorted traces of the Holocaust in Hergé's *Tintin* and in *Spirou*, the Holocaust in *Manga*, and Holocaust comics in Poland and Israel, recent graphic novels and the use of these comics in schools. With contributions from different disciplines, the volume also grants new perspectives on comic scholarship.

He was an ardent member of the Hitler Youth. This is the story of their parallel journey through World War II. Helen Waterford and Alfons Heck were born just a few miles from each other in the German Rhineland. But their lives took radically different courses: Helen's to the Auschwitz extermination camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler's "master race." While she was crammed in a cattle car bound for the death camp Aushchwitz, he was a teenage commander of frontline troops, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of their stories, side-by-side, in an overwhelming account of the nightmare that was WWII. The riveting stories of these two remarkable people must stand as a powerful lesson to us all. CIW Foundations Study Guide - Patrick T. The Complete Maus - Art Spiegelman 1991

On the occasion of the twenty-fifth anniversary of its first publication, here is the definitive edition of the book acclaimed as "the most affecting and successful narrative ever done about the Holocaust" (Wall Street Journal) and "the first masterpiece in comic book history" (The New Yorker). The Pulitzer Prize-winning *Maus* tells the story of Vladek Spiegelman, a Jewish survivor of Hitler's Europe, and his son, a cartoonist coming to terms with his father's story. *Maus* approaches the unspeakable through the diminutive. Its form, the cartoon (the Nazis are cats, the Jews mice), shocks us out of any lingering

sense of familiarity and succeeds in "drawing us closer to the bleak heart of the Holocaust" (The New York Times). *Maus* is a haunting tale within a tale. Vladek's harrowing story of survival is woven into the author's account of his tortured relationship with his aging father. Against the backdrop of guilt brought by survival, they stage a normal life of small arguments and unhappy visits. This astonishing retelling of our century's grisliest news is a story of survival, not only of Vladek but of the children who survive even the survivors. *Maus* studies the bloody pawprints of history and tracks its meaning for all of us.

March: Book One - John Lewis 2013-08-12

Congressman John Lewis (GA-5) is an American icon, one of the key figures of the civil rights movement. His commitment to justice and nonviolence has taken him from an Alabama sharecropper's farm to the halls of Congress, from a segregated schoolroom to the

1963 March on Washington, and from receiving beatings from state troopers to receiving the Medal of Freedom from the first African-American president. Now, to share his remarkable story with new generations, Lewis presents *March*, a graphic novel trilogy, in collaboration with co-writer Andrew Aydin and New York Times best-selling artist Nate Powell (winner of the Eisner Award and LA Times Book Prize finalist for *Swallow Me Whole*). *March* is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights, meditating in the modern age on the distance traveled since the days of Jim Crow and segregation. Rooted in Lewis' personal story, it also reflects on the highs and lows of the broader civil rights movement. Book One spans John Lewis' youth in rural Alabama, his life-changing meeting with Martin Luther King, Jr., the birth of the Nashville Student Movement, and their battle to tear down segregation through nonviolent

lunch counter sit-ins, building to a stunning climax on the steps of City Hall. Many years ago, John Lewis and other student activists drew inspiration from the 1958 comic book *Martin Luther King and the Montgomery Story*. Now, his own comics bring those days to life for a new audience, testifying to a movement whose echoes will be heard for generations.

Vietnamerica - GB Tran
2011-01-25

A superb new graphic memoir in which an inspired artist/storyteller reveals the road that brought his family to where they are today: *Vietnamerica* GB Tran is a young Vietnamese American artist who grew up distant from (and largely indifferent to) his family's history. Born and raised in South Carolina as a son of immigrants, he knew

that his parents had fled Vietnam during the fall of Saigon. But even as they struggled to adapt to life in America, they preferred to forget the past—and to focus on their children’s future. It was only in his late twenties that GB began to learn their extraordinary story. When his last surviving grandparents die within months of each other, GB visits Vietnam for the first time and begins to learn the tragic history of his family, and of the homeland they left behind. In this family saga played out in the shadow of history, GB uncovers the root of his father’s remoteness and why his mother had remained in an often fractious marriage; why his grandfather had abandoned his own family to fight for the Viet Cong; why his grandmother had had an affair with a French soldier. GB learns that his parents had taken harrowing flight from Saigon during the final hours of the war not because they thought America was better but because they were afraid of what would happen if they

stayed. They entered America—a foreign land they couldn’t even imagine—where family connections dissolved and shared history was lost within a span of a single generation. In telling his family’s story, GB finds his own place in this saga of hardship and heroism. *Vietnamerica* is a visually stunning portrait of survival, escape, and reinvention—and of the gift of the American immigrants’ dream, passed on to their children. *Vietnamerica* is an unforgettable story of family revelation and reconnection—and a new graphic-memoir classic.

The Graphic Novel Classroom - Maureen Bakis 2014-08-05

Every teacher knows that keeping adolescents interested in learning can be challenging—The Graphic Novel Classroom overcomes that challenge. In these pages, you will learn how to create your own graphic novel in order to inspire students and make them love reading.

Create your own superhero to teach reading, writing, critical thinking, and problem solving! Secondary language arts teacher Maureen Bakis discovered this powerful pedagogy in her own search to engage her students.

Amazingly successful results encouraged Bakis to provide this learning tool to other

middle and high school teachers so that they might also use this foolproof method to inspire their students. Readers will learn how to incorporate graphic novels into their classrooms in order to:

- Teach twenty-first-century skills such as interpretation of content and form
- Improve students' writing and visual comprehension
- Captivate both struggling and proficient students in reading
- Promote authentic literacy learning
- Develop students' ability to create in multiple formats

This all-encompassing resource includes teaching and learning models, text-specific detailed lesson units, and examples of student work. An effective, contemporary way to improve learning and inspire students to love reading, The Graphic Novel Classroom is the perfect superpower for every teacher of adolescent students!

The Complete MAUS - Art Spiegelman 2011

Maus I: A Survivor's Tale and Maus II - the complete story of Vladek Spiegelman and his wife, living and surviving in

Hitler's Europe. By addressing the horror of the Holocaust through cartoons, the author captures the everyday reality of fear and is able to explore the guilt, relief and extraordinary sensation of survival - and how the children of survivors are in their own way affected by the trials of their parents. A contemporary classic of immeasurable significance.

Rena's Promise - Rena Kornreich Gelissen 2015-03-17

An expanded edition of the powerful memoir about two sisters' determination to survive during the Holocaust featuring new and never before revealed information about the first transport of women to Auschwitz In March 1942, Rena Kornreich and 997 other young women were rounded up and forced onto the first Jewish transport of women to Auschwitz. Soon after, Rena was reunited with her sister Danka at the camp, beginning a story of love and courage that would last three years and forty-one days. From smuggling bread for their friends to narrowly escaping

the ever-present threats that loomed at every turn, the compelling events in Rena's Promise remind us that humanity and hope can survive inordinate brutality.

Once We Were Brothers -

Ronald H. Balson 2013-10-08

The gripping tale about two boys, once as close as brothers, who find themselves on opposite sides of the Holocaust. "A novel of survival, justice and redemption...riveting."

—Chicago Tribune, on Once We Were Brothers Elliot Rosenzweig, a respected civic leader and wealthy philanthropist, is attending a fundraiser when he is suddenly accosted and accused of being a former Nazi SS officer named Otto Piatek, the Butcher of Zamosc. Although the charges are denounced as preposterous, his accuser is convinced he is right and engages attorney Catherine Lockhart to bring Rosenzweig to justice. Solomon persuades attorney Catherine Lockhart to take his case, revealing that the true Piatek was abandoned

as a child and raised by Solomon's own family only to betray them during the Nazi occupation. But has Solomon accused the right man? Once We Were Brothers is Ronald H. Balson's compelling tale of two boys and a family who struggle to survive in war-torn Poland, and a young love that struggles to endure the unspeakable cruelty of the Holocaust. Two lives, two worlds, and sixty years converge in an explosive race to redemption that makes for a moving and powerful tale of love, survival, and ultimately the triumph of the human spirit.

The author describes the threats and emotional abuse she endured from white student and adults along with her fears of endangering her family as she committed to being one of the first African American students to integrate Central High School in Little Rock, Arkansas in 1957.

The Things They Carried - Tim O'Brien 2009-10-13

A classic work of American

literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle

The Cat Who Saw Red - Lilian Jackson Braun 1986-08-15
Jim Qwilleran and his cats Koko and Yum Yum must solve a curious caper in this mystery in the bestselling Cat Who series. Something is amiss at Maus Haus. Not just the mystery of an unsolved "suicide" which hangs over the old mansion, but something ominous in the present-day residence. When Qwilleran moves in to work on his new gastronomical assignment, strange things begin to happen. First it's a scream in the night, then a vanishing houseboy. But when his old girlfriend disappears, something has to be done. Qwilleran, Koko and Yum Yum set out to solve the mystery—and find a murderer!

Night - Elie Wiesel 2013-09-10
A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then

to Buchenwald. Night is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work.

All Rivers Run to the Sea - Elie Wiesel 2010-09-01

In this first volume of his two-volume autobiography, Wiesel takes us from his childhood memories of a traditional and loving Jewish family in the Romanian village of Sighet through the horrors of Auschwitz and Buchenwald and the years of spiritual struggle, to his emergence as a witness for the Holocaust's martyrs and survivors and for the State of Israel, and as a spokesman for humanity. With 16 pages of black-and-white photographs. "From the abyss of the death camps Wiesel has come as a messenger to mankind--not

with a message of hate and
revenge, but with one of

brotherhood and atonement." --
