Ocean Sea - Alessandro Baricco 2000-06-27
"Exotic...erotic... Ocean Sea is

highly romantic and breathtakingly lyrical."--The New York Times Book Review
With *Silk*, his first novel to appear in English, Alessandro Baricco immediately proved himself to be a magical storyteller. With *Ocean Sea*, he has been acclaimed as the successor to Italo Calvino, and

a major voice in modern literature. In *Ocean Sea*, Alessandro Baricco presents a hypnotizing postmodern fable of human malady-- psychological, existential, erotic--and the sea as a means of deliverance. At the Almayer Inn, a remote shoreline hotel, an artist dips his brush in a cup of ocean water to paint a portrait of the sea. A scientist pens love letters to a woman he has yet to meet. An adulteress searches for relief from her proclivity to fall in love. And a sixteen-year-old girl seeks a cure from a mysterious condition which science has failed to remedy. When these people meet, their fates begin to interact as if by design. Enter a mighty tempest and a ghostly mariner with a thirst for vengeance, and the Inn becomes a place where destiny and desire battle for the upper hand. Playful, provocative, and ultimately profound, *Ocean Sea* is a novel of striking originality and wisdom.

Spring Cleaning - Antonio Manzini 2019-05-07

The fourth installment in the

Rocco Schiavone mystery series from the international bestselling author, Antonio Manzini picks up three days after his last novel, *Out of Season*, left off, as Rocco seeks revenge for a friend—and closure for himself. Rocco is still reeling from the death of his best friend's girlfriend, who was murdered as she slept in his bed. There's no doubt that she was in the wrong place at the wrong time and paid the ultimate price. With the identity of the hitman still unknown, a cloud lingers over Rocco, dulling his judgment and leaving this anti-hero exposed to other threats. For Rocco has stepped on one too many people's toes over the years, namely the mafia that is still being rooted out in Aosta. To complicate matters, the kidnapped teenager that Rocco saved has not fully recovered. But all is not as it appears with that family. Her mother, father, and boyfriend are all running some sort of farce that Rocco can't easily crack. And now he must grapple between these two parallel investigations and

find answers once and for all...before one too many skeletons come after him. With the same clever insights, vitality, and humor readers have come to expect from Manzini, *Spring Cleaning* is another engaging, page-turning mystery.

Tango del vecchio marinaio -

Mario Delgado Aparain

2017-07-06T00:00:00+02:00

Il capitano Lander, discendente di uno dei marinai ammutinati del Bounty, si è lasciato alle spalle un passato difficile e da tempo ha scelto di vivere sulla terraferma in una baracca in riva al mare. Qui costruisce modellini di navi gloriose e intreccia la sua solitaria esistenza con quella di una giovane ballerina di tango, aspirante suicida. Finché un giorno non riceve la visita di Sampedro, un vecchio amico con cui ha condiviso l'amore per una bella infermiera dagli occhi verdi e la persecuzione da parte del regime: alcuni fili del loro comune passato stanno per riannodarsi e per i tre sono in arrivo sconvolgenti rivelazioni... Con questo romanzo ironico e originale, che combina la suspense di un

thriller con la riflessione politica sulle dittature sudamericane, l'autore di La ballata di Johnny Sosa torna alla sua essenza narrativa: l'amore, l'amicizia, il silenzio, la solitudine, lo sradicamento pervadono le vite dei protagonisti e le atmosfere di un libro capace di raccontare gli eventi più drammatici e dirompenti della Storia a partire da una serata passata al bar Euskalduna, davanti a un boccale di birra.

Keeping secrets is a dangerous game. When Sir James Harrison, one the greatest actors of his generation, passes away at the age of ninety-five, he leaves behind not just a heartbroken family but also a secret so shocking, it could rock the English establishment to its

core. Joanna Haslam, an up-and-coming reporter, is assigned to cover the legendary actor's funeral, attended by glitzy celebrities of every background. Out - Natsuo Kirino 2022-07-19
Winner of Japan's Grand Prix
for Crime Fiction • Edgar
Award Finalist • Nothing in
Japanese literature prepares us

for the stark, tension-filled,
plot-driven realism of Natsuo
Kirino's award-winning literary
mystery *Out*. This mesmerizing
novel tells the story of a brutal

L'anima della Calabria -
Kazimiera Alberti

2011-08-09T00:00:00+02:00
Kazimiera Alberti, poetessa polacca, esule in Italia dopo la seconda guerra mondiale, compie nella primavera-estate del 1949 un lungo viaggio in Calabria, percorrendola tutta, nella tradizione del grand tour, in gran parte a piedi. Il risultato è una deliziosa, vivace, erudita, ironica e tenera guida-reportage della Calabria. Come il classico old Calabria di Norman Douglas, l'anima della Calabria non è solo un grande travelogue. La Aberti cerca un'evasione dal XX secolo devastato dalla guerra e la Calabria, con la bellezza dei suoi paesaggi, l'onnipresente testimonianza della sua millenaria cultura e la dinamicità del suo presente, le offre una cura ai traumi dellaguerra. Così l'anima della Calabria riesce a riportare in vita la sua anima ferita. Clicca qui e guarda lo spot di "Viaggio in Calabria"

Tango - Robert Farris Thompson 2006-12-05
In this generously illustrated book, world-renowned Yale art historian Robert Farris

Thompson gives us the definitive account of tango, "the fabulous dance of the past hundred years--and the most beautiful, in the opinion of Martha Graham." Thompson traces tango's evolution in the nineteenth century under European, Andalusian-Gaicho, and African influences through its representations by Hollywood and dramatizations in dance halls throughout the world. He shows us tango not only as brilliant choreography but also as text, music, art, and philosophy of life. Passionately argued and unparalleled in its research, its synthesis, and its depth of understanding, *Tango: The Art History of Love* is a monumental achievement. [The Witches](#) - Roald Dahl 2010

Handbook of International Futurism - Günter Berghaus 2018-12-17

The Handbook of International Futurism is the first reference work ever to presents in a comparative fashion all media and countries in which the movement, initiated by F.T. Marinetti in 1909, exercised a particularly noteworthy influence. The handbook offers a synthesis of the state of scholarship regarding the

international radiation of Futurism and its influence in some fifteen artistic disciplines and thirty-eight countries. While acknowledging the great achievements of the movement in the visual and literary arts of Italy and Russia, it treats Futurism as an international, multidisciplinary phenomenon that left a lasting mark on the manifold artistic manifestations of the early twentieth-century avant-garde. Hundreds of artists, who in some phase in their career absorbed Futurist ideas and stylistic devices, are presented in the context of their national traditions, their international connections and the media in which they were predominantly active. The handbook acts as a kind of multi-disciplinary, geographical encyclopaedia of Futurism and gives scholars with varying levels of experience a detailed overview of all countries and disciplines in which the movement had a major impact. *You Drive Me Crazy* - Anna Premoli 2017-02-01
Can your worst nightmare turn into an unexpected fairytale?

Le Bugatti di Marsiglia -

Henri Verneuil

2020-03-06T00:00:00+01:00

In fuga dal genocidio del loro popolo, arrivano a Marsiglia dopo un avventuroso viaggio in mare cinque fragili sagome: un padre, una madre, il figlioletto di soli quattro anni, Achod, e le sue due zie. Per bagaglio, un piccolo fagotto e, come unico patrimonio, otto bottoni rivestiti di stoffa cuciti sul vestito della mamma: otto monete d'oro. Tre donne e un uomo completamente indigenti, che non parlano francese, e che hanno un solo scopo: vivere e prosperare per amore del piccolo Achod. Al capezzale della morente mayrig, "mammina" in armeno, questo figlio scampato all'orrore - ormai adulto e professionista affermato - torna alla sua vita di bimbo e di adolescente, rievocando i sentimenti e le emozioni, le fatiche e le

speranze di un piccolo apolide che ha combattuto per crescere e affermare la propria identità in un Paese straniero. Un racconto intimo e poetico, ricco di squarci e di aneddoti che lasciano spazio al sorriso, all'umorismo e alla speranza. Uno struggente inno alla lotta per la sopravvivenza e agli affetti familiari. Un'acuta riflessione sul valore delle proprie radici. Chi ha amato La masseria delle allodole si innamorerà di questo romanzo forte e vero come la vita di chi l'ha scritto.

Cristalli velati - Giuliano

Tramaloni 2021-09-01

Quest'opera prima di Giuliano Tramaloni incarna la complessità della sua ricerca poetica, tracciando un percorso incessantemente teso all'emersione di un senso salvifico, di una pienezza luminosa, a partire dal basso,

da parole rotte e sorgive, da un'anima che trova nelle sue lacerazioni i preziosi affacci sull'infinito amare. Le sue composizioni coniugano il piccolo e l'immenso, la figura del mendicante e il dio che si nasconde, le melodie di aperti paesaggi mediterranei e gli scorci di inesorabile solitudine. Il suo stile si modella sul mutevole e inquieto spartito interiore, dilatandosi o contraendosi, in poesie ora narrative, ora fortemente dense, fino alle più scarse brevità. Tramaloni è calamitato dall'assoluto che è nel

rimanente, nelle porte a picco, nel rudere albeggiante e versa la malinconia dei "cristalli velati" dentro i palpiti di una febbre dolce e battente, svelando la bellezza di un umano creaturale, esile, esule, sempre desiderante.
