Camp Half-Blood Confidential - Rick Riordan 2017-05-04

A companion guide to THE TRIALS OF APOLLO series, set in the world of PERCY JACKSON. Camp Half-Blood FYI is the funny insider's guide to the demigod training camp in Long Island, narrated by none other than Percy Jackson himself, and other favourite characters will be heard from, too. In response to an awful camp orientation video created by the god Apollo, Percy Jackson and other residents of Camp Half-Blood answer such questions as "What is this place?" and "Do I get to keep the T-shirt?" Newbies can check out the section on the Divine Cabins, read up on Magical Landmarks, and consult the chapter of Training Arenas. But Camp Half-Blood Confidential explores much more than just the buildings and grounds. It includes info that can only be learned from those who live there. For instance, campers do not always co-exist in peace and harmony. The camp is not run with superior efficiency. Prophecies do not flow forth with great regularity. Sprinkled throughout are stories from heroes who have called Camp Half-Blood home or just passed through on their way to places unknown. Chiron himself introduces the book with a brief history of training based on his millennia of experience. And, of course, divine words of wisdom from the god Apollo himself are included, because the demigod authors would prefer not to be struck down by him, thank you very much.

What if Wonderland was in peril and Alice was very, very late? Alice is different than other eighteen-year-old ladies in Kexford, which is perfectly fine with her. She'd rather spend golden afternoons with her trusty camera or in her aunt Vivian's lively salon, ignoring her sister's wishes that she stop all that "nonsense" and become a "respectable" member of society. Alice is happy to meander to Miss. Yao's teashop or to visit the children playing in the Square. She's also interested in learning more about the young lawyer she met there, but just because she's curious, of course, not because he was sweet and charming. But when Alice develops photographs she has recently taken about town, familiar faces of old suddenly appear in the place of her actual subjects—the Queen of Hearts, the Mad Hatter, the Caterpillar. There's something eerily off about them, even for Wonderland creatures. And as Alice develops a self-portrait, she finds the most disturbing image of all—a badly-injured dark-haired girl asking for Alice's help. Mary Ann. Returning to the place of nonsense from her childhood, Alice finds herself on a mission to stop the Queen of Hearts' tyrannical rule and to find her place in both worlds. But will she be able to do so . . . before the End of Time?
