Girl in Pieces -

Kathleen Glasgow 2018-04-10
Fans of Girl, Interrupted, Thirteen Reasons Why, and All the Bright Places will love this New York Times bestseller. "A haunting, beautiful, and necessary book that will stay with you long after you've read the last page."—Nicola Yoon, #1 New York Times bestselling author of Everything, Everything and The Sun Is Also a Star
Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there

is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. And don't miss Kathleen Glasgow's novels You'd Be Home Now and How to Make Friends with the Dark, both raw and powerful stories of life.

Fierce Marriage Participant's Guide - Ryan Frederick 2018-12-04

Fierce Marriage is a call to couples to put Christ at the center of their marriage, measuring everything they do and say to each other against what Christ did for them. Now this powerful book is accompanied by an equally powerful curriculum designed for small groups and couples. With passionate personal stories and practical, gospel-centered advice, Ryan and Selena Frederick help participants handle five key areas of marriage: priorities, communication, money, sex, and conflict. Their hopeful approach will help couples to see marriage as not just a relationship they should try to keep healthy but also one worth fighting for--in every situation.

Fierce Marriage - Ryan Frederick 2018-04-17
Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of

them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. *Fierce Marriage* is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

Made to Crave Participant's Guide - Lysa TerKeurst 2011-01-15

Real Marriage Participant's Guide - Mark Driscoll 2012-01-03

Pastor Mark Driscoll and his wife, Grace, talk about sex and marriage in down-to-earth terms, hitting issues other Christian books won't. While a wonderful wedding day is important, it's the last day of marriage that really counts. Will the last day of your marriage come prematurely through divorce? Will it be filled with regrets as you sit at the funeral of your spouse? Or, by God's grace, will the last day be a day to rejoice in the life you lived together? Pastor Mark Driscoll and his wife, Grace, want you to finish well on the last day. In this interactive DVD-based study, they share private and painful issues that damaged their own marriage--including his introduction to pornography in elementary school and her abuse as a teenager at the hands of a boyfriend--and how they

overcame them to experience healing and joy with each other again. Together they tackle the tough issues, such as: Should I confess my pre-marital sexual sin to my husband/wife? Is it okay to have a "work husband/wife"? Can I say no to my husband when I really do have a headache? What does the Bible say about masturbation and oral sex? From fun date night tips to the most tricky "can we do that?" sex questions, Mark and Grace share practical help and hope with people just like them-who entered marriage a complete mess-or who are planning to be married someday and want to avoid some sticky pitfalls.

The Family Roe: An American Story - Joshua Prager 2021-09-14

A masterpiece of reporting on the Supreme Court's most divisive case, *Roe v. Wade*, and the unknown lives at its heart. Despite her famous pseudonym, no one knows the truth about "Jane Roe," Norma McCorvey (1947-2017), whose unwanted pregnancy in 1970 opened a great fracture in American life. Journalist Joshua Prager spent years with Norma, discovered her personal papers, a previously unseen trove, and witnessed her final moments. With an explosive revelation at the core of the case, he tells her full story for the first time. Prager also traces *Roe's* fifty-year trajectory through three compelling figures: feminist lawyer Linda Coffee, who filed the original Texas lawsuit yet now lives in obscurity; Curtis Boyd, a former fundamentalist Christian, today a leading provider of third-trimester abortions; and Mildred Jefferson, the first Black female Harvard Medical School graduate, who became a pro-life leader with great secrets. Essential to our understanding of this key debate, the right to choose or the right to life, *The Family Roe* will change the way you think about our enduring American divide.

Luckiest Girl Alive - Jessica Knoll 2015-09-08

"In a riveting debut novel that reads like Prep meets Gone Girl, a young woman is determined to create the perfect life--husband, home, and career--until a violent incident from her past threatens to unravel everything and expose her most shocking secret of all. Twenty-eight-year-old New Yorker Ani FaNelli seems to have it all: she's a rising star at The Women's Magazine, impossibly fit, perfectly groomed, and about to marry Luke Harrison, a handsome blueblood. But behind that veneer of perfection lies a vulnerability that Ani holds close and buries deep--a very violent and public trauma from her past that has left her constantly trying to reinvent herself. And only she knows how far she would go to keep her secrets safe. When a documentary producer invites Ani to tell her side of the chilling incident that took place when she was a teenager at the prestigious Bradley School, she hopes it will be an opportunity for public vindication. Armed with the trappings of success--expensive clothes, high-powered byline, a massive engagement ring--she is determined to silence the whispers of suspicion and blame from her past, and prove once and for all how far she's come since Bradley. She'll even let them film her lavish wedding on Nantucket, the final step in her transformation. But perfection doesn't come without cost. As the wedding and filming converge, Ani's meticulously crafted facade begins to buckle and crack--until an explosive revelation offers her a final chance at redemption, even as it rocks her picture-perfect world. Equal parts glitz and darkness, and with a singular voice and twisting plot, Luckiest Girl Alive reads like Sex & the City--if Carrie Bradshaw had a closet full of skeletons instead of shoes. In Ani FaNelli, Jessica Knoll has

created a complex and vulnerable heroine who you'll be rooting for to the very last page"--

See-Through Marriage - Ryan Frederick
2020-05-05

Marriage is all about sharing: sharing space, sharing joys and sorrows, sharing hopes and dreams. Yet we often hold back a part of ourselves because we fear that being wholly transparent--about our past, our desires, our failures, our faults--will bring judgment, rejection, or even just unwanted friction to our relationship. We are afraid to be fully known. As a result, we never experience being fully loved. Fierce Marriage authors Ryan and Selena Frederick think your marriage deserves better. In this new, paradigm-shifting book, they show you how to develop a see-through marriage, one that is marked by full transparency and confident vulnerability. Through personal stories, testimonies from other couples, and biblical truth, they make the case that living authentically in front of each other is the only way to experience love the way we were designed to. If you desire an honest, no-holding-back marriage where you are fully known, fully accepted, and fully loved, you need this book.

For anyone who is married, preparing for marriage, or desperate to save a relationship teetering on the brink of divorce, marriage coaches Dave and Ann Wilson offer hope and strategies gleaned from personal experience and Scripture that really work. *Vertical Marriage* will give you the insight, applications, and inspiration to transform your marriage into everything you hoped it would be. The Second Shift - Arlie Hochschild
2012-01-31

An updated edition of a standard in its field that remains relevant more than thirty years after its original publication. Over thirty years ago, sociologist and University of California, Berkeley professor Arlie Hochschild set off a tidal wave of conversation and controversy with her bestselling book, *The Second Shift*. Hochschild's examination of life in dual-career households finds that, factoring in paid work, child care, and housework, working mothers put in one month of labor more than their spouses do every year. Updated for a workforce that is now half female, this edition cites a range of updated studies and statistics, with an afterword from Hochschild that addresses how far working mothers have come since the book's first publication, and how much farther we all still must go.
