Sabbath School Lesson Comments by Ellen White - J. L. MalmedeVanAllen 2015

The Book of Acts - Wilson Paroschi 2018

Thirty years-that's all it took. In those 30 years the Christian church gained sufficient growth and credibility to become the largest religion the world has ever seen and to change the lives of hundreds of millions of people. And it all began with a dozen men, a handful of women, ... and the Holy Spirit. Acts is their story. While it's tempting to think of the early Christian church as the pinnacle of unity, purity, and perfection, this is misleading. Author Wilson Paroschi writes, "We find the early believers, including the apostles, entangled with misconceptions, personal conflicts, prejudice, and several other difficulties typical of human nature. They were not infallible. What they were able to accomplish in such a short period of time, however, is a perpetual testimony of how powerfully God can work when men and women, despite their limitations and failures, humble their hearts in prayer and submit their lives to the control of the Holy Spirit." We should not look at Acts as a retelling of the missionary successes of the apostles but, rather, as an example of the amazing things God was able to accomplish through them in reclaiming humanity for Himself. The Book of Job - Ricardo Graham 2016

The Bible is not a fairy tale that ends with "and they all lived happily ever after." It doesn't gloss over the tragedies in life. The Bible tells it like it is: the good, the bad, and the ugly. Among the many stories found in Scripture, few depict all these elements more clearly than the life of Job. Although he was blameless and served God, he had more than his share of trouble. He learned from bitter experience that following God is no guarantee of an easy life. In fact-, usually the opposite is true. But God promises that our end will be better than our beginning if we build our lives on the foundation that He has laid: Jesus Christ, the Righteous Redeemer. In the midst of his despair, Job confidently states, "I know that my redeemer lives, and that in the end he will stand on the earth. And after my skin has been destroyed, yet in my flesh I will see God." This is the end God has in mind for us, life eternal in the earth made new! Book jacket.

Churches That Make a Difference - Ronald J. Sider 2002-04-01

Churches over the past generations have been weakened by a failure to

meet both the physical and spiritual needs of their communities. Many have adopted a narrow vision, focusing on only one aspect of ministry. But in today's environment of faith-based opportunities many Christians are eager to start reaching out to their world with both Good News and good works, and therefore they are searching for appropriate ways to integrate both into their ministry. In *Churches That Make a Difference*, best-selling author Ron Sider and his coauthors give those involved in community outreach a comprehensive resource for developing holistic ministry--a balance of evangelism and social outreach. Illustrations and helpful organizational tips detail the how-to's of an effective holistic ministry. Case studies that show how different churches across the United States reach out to their communities provide a variety of ideas and practical applications. User-friendly tools are included as well for congregational studies, surveys, evaluations, and community assessments. The authors draw on extensive experience with church ministries and faith-based organizations as they share the life-changing vision and biblical mandate for living the whole gospel. Church leaders will be encouraged in their process of developing and maintaining a holistic ministry, and local churches will rediscover a passion for loving the whole person the way Jesus did.

Graffiti in the Holy of Holies - Clifford Goldstein 2004-02

In books, on the Internet, and through his own publication, an outspoken former adventist minister is attacking our church, especially the 1844 Investigative Judgment. These shots take aim at the heart of Adventism, extending to Ellen White, who is being called a "false prophet" because she supported the sanctuary doctrine. How can we respond? Can 1844 and the investigative judgment be supported biblically? Is this teaching contrary to the gospel, as this ex-Adventist minister claims, or are these

challenges misguided efforts to blemish one of the most important revelations of God's character? In *Graffiti in the Holy of Holies*, author and church apologist, Clifford Goldstein, examines the arguments against Ellen White and the pre-Advent judgment, and responds, point-by-point. The result is a thoughtful and clear defense that goes beyond his earlier 1844 *Made Simple* in revealing the Bible-based, and gospel-uplifting truth about the sanctuary. At the same time Goldstein confronts and sweeps away myths concerning Ellen White, and affirms her prophetic gift. Vandals are attempting to spoil your faith. The time to know the difference between the Word of God and the graffiti of man is now. This book will make that difference crystal clear. - 1. Three-Legged Stools. 2. Sliver in the Foot. 3. The Great Controversy Between Christ and Satan: From the Destruction of Jerusalem to the End of the Controversy - Ellen G. White 2020-02-20

"The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God." - Ellen G. White
