Lord of the Flies - William Golding 2003-12-16
Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Alice in Wonderland by Lewis Carroll

Granite Island - Dorothy Carrington
2015-04-30

'Get away from here before you're completely bewitched and enslaved...' Dorothy Carrington was told, while sitting in a fisherman's cafe at the magically quiet midday hour. But enslaved she was. GRANITE ISLAND, much more than a travel book, grew out of years spent in Corsica and is an incomparably vivid and delightful portrait. For the first time Corsica is brought to light as a vital element in Europe: a highly individualistic island culture whose people have nurtured their love of freedom and political justice, as well as their pride, hospitality and

poetry.

Sea of Tranquility - Emily St. John Mandel
2022-04-05

NEW YORK TIMES BEST SELLER • WINNER OF THE GOODREADS CHOICE AWARD • The award-winning, best-selling author of *Station Eleven* and *The Glass Hotel* returns with a novel of art, time travel, love, and plague that takes the reader from Vancouver Island in 1912 to a dark colony on the moon five hundred years later, unfurling a story of humanity across centuries and space. One of the Best Books of the Year: *The New York Times*, NPR, GoodReads "One of [Mandel's] finest novels and one of her most satisfying forays into the arena of speculative fiction yet." —*The New York Times*
Edwin St. Andrew is eighteen years old when he crosses the Atlantic by steamship, exiled from polite society following an ill-conceived diatribe at a dinner party. He enters the forest, spellbound by the beauty of the Canadian wilderness, and suddenly hears the notes of a violin echoing in an airship terminal—an experience that shocks him to his core. Two centuries later a famous writer named Olive Llewellyn is on a book tour. She's traveling all over Earth, but her home is the second moon colony, a place of white stone, spired towers, and artificial beauty. Within the text of Olive's best-selling pandemic novel lies a strange passage: a man plays his violin for change in the echoing corridor of an airship terminal as the trees of a forest rise around him. When Gaspéry-Jacques Roberts, a detective in the black-skied

Night City, is hired to investigate an anomaly in the North American wilderness, he uncovers a series of lives upended: The exiled son of an earl driven to madness, a writer trapped far from home as a pandemic ravages Earth, and a childhood friend from the Night City who, like Gaspary himself, has glimpsed the chance to do something extraordinary that will disrupt the timeline of the universe. A virtuoso performance that is as human and tender as it is intellectually playful, *Sea of Tranquility* is a novel of time travel and metaphysics that precisely captures the reality of our current moment.

Around the World in Eighty Days - Jules Verne 2016-04-08

Around the World in Eighty Days by Jules Verne from Coterie Classics All Coterie Classics have been formatted for ereaders and devices and include a bonus link to the free audio book. "I see that it is by no means useless to travel, if a man wants to see something new" — Jules Verne, *Around the World in Eighty Days* When an arrogant young Englishman bets his friends that he can travel around the world in 80 days, he begins an adventure that has been celebrated as a literary classic.

Men I've Loved Before - Adele Parks

2010-07-08

WHAT IF THE ONE YOU MARRIED IS NOT THE ONE? Highly praised as a 'fabulous mix of comedy, real life and emotional depth' (Daily Express), *Men I've Loved Before*, an addictive novel from Adele Parks, author of the No. 1 ebook bestseller, *The Stranger In My Home*, looks at what happens after you find 'the one'. Nat and Neil are just right for each other. They share the same likes, dislikes and hopes for the future - one filled with successful careers, sex, travel, and definitely no kids. At least that was the plan. Increasingly surrounded by friends either with children, or trying for them, Neil begins to yearn for a baby himself, whereas Nat cannot be swayed. Now there's trouble in paradise. With neither prepared to say what they really want, Neil makes an unlikely new friend willing to lend an ear. Whilst Nat, riddled with doubt about the man she married, looks for answers in her little black book of exes... What readers are saying about *Men I've Loved Before*: 'It was the twists and turns that I loved about this book. Every single chapter saw the story turn on its head. A good brisk pace, with lots of fabulous descriptions throughout' 'An extremely entertaining read! The ending is a real tear-jerker. This is one of my favourite books of the year'

A Tale for the Time Being - Ruth Ozeki
2013-03-12

A brilliant, unforgettable novel from bestselling author Ruth Ozeki, author of *The Book of Form and Emptiness* Finalist for the Booker Prize and the National Book Critics Circle Award "A time being is someone who lives in time, and that means you, and me, and every one of us who is, or was, or ever will be." In Tokyo, sixteen-year-old Nao has decided there's only one escape from her aching loneliness and her classmates' bullying. But before she ends it all, Nao first plans to document the life of her great grandmother, a Buddhist nun who's lived more than a century. A diary is Nao's only solace—and will touch lives in ways she can scarcely imagine. Across the Pacific, we meet Ruth, a novelist living on a remote island who discovers a collection of artifacts washed ashore in a Hello Kitty lunchbox—possibly debris from the devastating 2011 tsunami. As the mystery of its contents unfolds, Ruth is pulled into the past,

into Nao's drama and her unknown fate, and forward into her own future. Full of Ozeki's signature humor and deeply engaged with the relationship between writer and reader, past and present, fact and fiction, quantum physics, history, and myth, *A Tale for the Time Being* is a brilliantly inventive, beguiling story of our shared humanity and the search for home.

Journey to the Center of the Earth, Twenty Thousand Leagues Under the Sea, Round the World in Eighty Days - Jules Verne 2013-10-01
Jules Verne's most beloved novels are gathered here in one hardcover volume: three thrilling tales of fabulous journeys under, through, and around the earth. Verne was one of the great pioneers of science fiction. Born in France in 1828, he wrote brilliantly about space, air, and underwater travel long before airplanes and space ships had been invented, and he is still one of the most widely read internationally of all science-fiction writers. But beyond charting new territory for adventurous fiction, his creations have entered our culture and taken on the magnitude and vitality of myth. It is hard to imagine anyone who has not heard of Captain Nemo and his giant submarine exploring the ruins of Atlantis in *Twenty Thousand Leagues Under the Sea*, Phileas Fogg's frantic race around the world by every means of transportation in *Round the World in Eighty Days*, and the harrowing descent through a volcanic crater to underground caverns where prehistoric creatures roam in *Journey to the Center of the Earth*. These stories have seized

the imaginations of readers for generations and are as vivid and exciting now as when their author first imagined traveling beyond the bounds of the possible. Translated by Henry Frith

The Mysterious Island - Jules Verne
2018-10-11

'The Mysterious Island' - one of the most famous in the world literature novels written by the famous French writer Jules Verne. Five Americans appear on a desert island in the Southern Hemisphere but they are not going to despair. Eventually it appears that their skills are all they need there to survive. But suddenly life throws a riddle to them...

Twenty Thousand Leagues Under the Sea - Jules Verne 1887

Strangers on a Train - Patricia Highsmith 2008
Reading level: 4 [red].

Chains - Laurie Halse Anderson 2011-08-02
From acclaimed author Laurie Halse Anderson comes this compelling first novel in the historical middle grade *The Seeds of America* trilogy that shows the lengths we can go to cast off our chains, both physical and spiritual. As the Revolutionary War begins, thirteen-year-old Isabel wages her own fight...for freedom. Promised freedom upon the death of their owner, she and her sister, Ruth, in a cruel twist of fate become the property of a malicious New York City couple, the Locktons, who have no sympathy for the American Revolution and even less for Ruth and Isabel. When Isabel meets Curzon, a slave with ties to the Patriots, he encourages her to spy on her owners, who know details of British plans for invasion. She is reluctant at first, but when the unthinkable happens to Ruth, Isabel realizes her loyalty is available to the bidder who can provide her with freedom.

The Strange Case Of Dr. Jekyll And Mr.

Hyde - Robert Louis Stevenson 2022-10-19

"The Strange Case of Dr. Jekyll and Mr. Hyde"

Stevenson's famous exploration of humanity's basest capacity for evil, has become synonymous with the idea of a split personality. More than a moral tale, this dark psychological fantasy is also a product of its time, drawing on contemporary theories of class, evolution, criminality, and secret lives. Also in this volume are "The Body Snatcher," which charts the murky underside of Victorian medical practice, and "Olalla," a tale of vampirism and "The Beast Within" which features a beautiful woman at its center.

Amusing Ourselves to Death - Neil Postman

2005-12-27

What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. "It's unlikely that Trump has ever read Amusing Ourselves to Death, but his ascent would not have surprised Postman." -CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. Amusing Ourselves to Death is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. "A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see,

an irrefutable one." -Jonathan Yardley, The Washington Post Book World

The Magicians - Lev Grossman 2009-08-11

The New York Times bestselling novel about a young man practicing magic in the real world, now an original series on SYFY "The Magicians is to Harry Potter as a shot of Irish whiskey is to a glass of weak tea. . . . Hogwarts was never like this." —George R.R. Martin "Sad, hilarious, beautiful, and essential to anyone who cares about modern fantasy." —Joe Hill "A very knowing and wonderful take on the wizard school genre." —John Green "The Magicians may just be the most subversive, gripping and enchanting fantasy novel I've read this century." —Cory Doctorow "This gripping novel draws on the conventions of contemporary and classic fantasy novels in order to upend them . . . an unexpectedly moving coming-of-age story." —The New Yorker "The best urban fantasy in years." —A.V. Club Quentin Coldwater is brilliant but miserable. A high school math genius, he's secretly fascinated with a series of children's fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. . . . The prequel to the New York Times bestselling book *The Magician King* and the #1 bestseller *The Magician's Land*, *The Magicians* is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination.
