Never knowing true love. And certainly never finding a mate—a silly shifter myth. He's fled to the Alaskan wilderness, keeping a low profile as a small-town bartender and hiding from an abusive pack. But when Danny is viciously attacked, he draws exactly the wrong kind of attention: that of Marcus Connor, a huge, mean-looking alpha shifter as strong as he is scarred, who comes to Danny's rescue and saves his life. Danny's wolf howls that Marcus is his mate, and when Marcus gives him the most intense night of lovemaking of his life, Danny's tempted to

believe it. But they both have demons, and Danny can't stick around for a myth. Not even after Marcus bites him and marks him as his. But when he sees the omega being attacked, his protective alpha instinct takes over. And it doesn't stop until Marcus claims Danny as his mate. What would a scarred-up loner like Marcus want with a mate, let alone an omega? Omegas have a tendency to give you cubs—another thing Marcus doesn't need. But denying Danny is proving easier said than done. And the old saying is starting to prove true: once bitten, once branded, once his. Johnny Hughes is stuck in Andernburg after his money and passport are stolen by thugs who put him in the hospital for what he is. And now, it's either steal or starve. He knows his relationship with the gorgeous alpha king is pure sport, but he'd be a fool to turn down accommodations like these...for as long as the king finds him amusing. But when a reckless night of passion leaves Johnny with child, everything becomes far more real. Darius is bound by duty to the realm and beset by

But when a territory dispute turns into a kidnapping, Gates and his Feral Breed brothers are called to assist the Valkoisus pack in a rescue operation. Gates soon discovers there's more in store for him than a fight. He finds his mate in the Alpha's daughter, a woman targeted by a mystery sect kidnapping Omega shifters. The Wolf Who Saved the Omega: M/M Omega Mpreg Romance - Max Rose
2022-07-15

Two rival wolves have one last chance to change the shifter world... Alex MacGregor is a tough-as-they-come wolf shifter with the Chimera Company Special Forces. What starts as a rescue mission in the ruins of Old Detroit soon ends up changing his life. Not only does Alex's wolf insist the shifter he's sent to rescue is his mate, but David Casey isn't a typical omega. He's an agent for the government, sent on a secret mission to get a blood sample from a lagodire—dangerous shifter hybrids created by government experiments. Alex and David immediately fail to hit it off, which doesn't bode well for that whole "fated mate" thing. How is Alex supposed to deal with a mate who seems more enemy than lover most of the time? The

desire is there, but the closer he gets to David, the more the man pushes him away. The roguish smile Alex has relied on all his life won't be nearly enough to win the heart of this omega. David Casey has spent most of his life alone, fighting for his country in dangerous places and doing things that stayed secret. His life hasn't been easy. People judge him for being an omega, and now Alex has flooded his life with irritating complications and stirred up his wolf instincts. But only with Alex's help can he save a pregnant lagodire omega named Lowku from a horrible fate. Not only is Lowku his friend, but the secrets in his blood might provide the cure to the shifter cancer that has plagued wolves since they were created. Saving Lowku changes David, and helping with the birth of Lowku's children brings out a new side to him. As does looking into Alex's eyes, seeing his smile...and sharing a kiss. After a passionate and reckless night with Alex, it isn't long until David discovers he is pregnant too. But bringing peace to New Detroit might be a cakewalk compared to the chance for a happy family with Alex and their soon-to-be baby. Sky's Tail - Brittany Putzer 2023-02-14

A lost soul's torment. Sky Have you ever had to beg to be with the person you love, while also pleading with Luna to pinpoint the mate she assigned you? No? Just me? Well, as Cold Creek's most successful business owner, I think I've earned the right to have it all. Yes, I'm pampered with everything I need. But what about what I desire? And what I crave is a healthy serving of panty-melting bed activities with equal amounts of faithfulness. Human or shifter? I'm not picky. They just have to put me first and preferably on a pedestal. And I'll return the same courtesy. Then he strides straight into the Wolves' Den. A leather jacket, tattoos, and a Harley. He may be a member of our rival pack, The Fangs, but there's something unique about this shifter. Almost magical. And it tugs me towards him, despite his bad attitude and obvious hunger for power. Or maybe because of them. Even if he's not my predestined partner, his darkness causes my fur soul to whimper for his scorching touch. But he's hiding something. Will his sins devour everything I hold dear? Or can he redeem himself by providing me

with the three things I require most: to fight for me, accept me (and my flaws), and above all else, protect the woman I love. Freddy Legends aren't born. They are created with blood, sweat, and sacrifice. And I've done all that and more for the Fangs and now I demand what is owed to me. I refuse to be the pack's bitch any longer. I'm conquering the alpha's throne. I'll gain control or die during my attempts to attain it. No matter who I have to crush under my iron paw. Even the spoiled princess of the Canis pack. I'll mold her, use her body, and then bury the pampered brat along with all my deadly secrets. What could possibly go wrong? I have my queen and soon the world will cower under our merciless reign. All hail the fur king!

Wolf Line - Vivian Arend 2017-06-16

A standalone title in New York Times bestselling author Vivian Arend's light-hearted, feel-good paranormal series. ~~~~~ Into the best-laid plans a little chaos must fall... Wolf-about-town, Jared Gilliland, hides secrets within secrets, but his love of the female persuasion isn't one of them. It's woman-trouble that disrupts his quiet morning coffee near the harbor and ends with him on a cruise ship impersonating one of his pack mates. No worries. It's just a new adventure to enjoy—until he's confronted with someone who makes his inner wolf sit up and howl. Suddenly, Jared's stuck in limbo; wanting to protect, needing to stay away. Keri Smith joined her best friend for the shifter-only sailing of the Arctic Wolf Cruise. Her job is supposed to be trouble-shooter, so while she's nearly positive the last-minute recruit sneaking aboard the tour is her mate, ix-nay on confirming that at least for the next ten days. Getting tangled up in mating lust would reduce her skills to nil. Avoidance of the sexy wolf for the duration of the cruise, followed by jumping his bones, seems the logical solution. But when libidos are on the line, "logic" and "wolves" don't go together. Warning: Really? You need to be warned about the hot nookie and sarcasm? Yeah, it's in here. Also, colourful cat shifters, lupine royalty, and wild adventures in cabins like you've never seen before. ---- Keywords: Canadian Author, paranormal, werewolf, Granite Lake Pack, fated mates, shifters, small town, alpha hero For readers who enjoy Carrie Ann Ryan, Lauren Dane, Eve Langlais, Jennifer Ashley, and Cynthia Eden.

Their Rejected Mate - River Ramsey 2021-08

My three intended mates left me rejected, half-marked, and broken. Every wolf shifter dreams about her first night with her mates, but mine left me an outcast with the revelation that I'm really a hybrid. A hybrid between a wolf and what is the question. Only my late mother knows the answer, but these days, I have other things to worry about. Namely, being caught in a war between my gorgeous jerk of a boss and the

hunter who's somehow become my friend with benefits. Until the consequences of my incomplete mating mark leave me in physical anguish each full moon, that is--and the only thing keeping the monster in my veins at bay is the dark gift of a vampire lord who thinks I'm something else entirely. Something that makes me more dangerous than anyone could have imagined--especially me. Like I don't have enough infuriating (but admittedly tantalizing) alpha males on my plate, now the three wolves who threw me away are back, trying to stake their claim now that I'm their only hope of overthrowing my unhinged father as regional alpha. If the men in my life don't make up their minds soon, I'm booking a one-way ticket to an all-female island. Their Rejected Mate is a full-length Rejected Mates Wolf Shifter Romance, and the first in the Luna Rejected series. This series features four alpha male anti-hero love interests, an unbreakable heroine who keeps them in check, and in true Reverse Harem fashion, the MC doesn't have to choose between her guys. Includes MFM and eventual MMF content.

[Giving the Alpha an Heir \(MM Omega Mpreg Romance\)](#) - Max Rose 2020-08-28

A fierce alpha who gets everything he wants, and an omega who only wants to belong... Years ago, shifters and humans were driven from Detroit by a savage hybrid of hyena and reptile created in a government lab. The once-proud city is now in ruins, but Jacob Kross intends to change that. Jake is wealthy, powerful, and an alpha wolf shifter leading one of the largest packs in New Detroit. He is building an alliance to fulfill his late father's dream of reclaiming their territory. Only Jake has a problem. The other pack alphas demand that he produce an heir or lose his place as head of the shifter council. Jake grudgingly agrees, but he rejects any political betrothal to a female from the other packs. If he has to breed, he might as well do it with a male, the gender he prefers between the sheets. Besides, an omega—the result of a genetic shifter mutation that allows a male to carry a child—will guarantee him the heir he needs. Only he never counted on one vulnerable, wide-eyed omega stealing his way into Jake's guarded heart... Gavin is an omega wolf without a pack. He grew up on the streets of New Detroit as a homeless refugee. For him, life has always been a struggle made worse by his inherently submissive nature. So when a wealthy alpha suddenly promises him a huge amount of money to give birth to his heir, Gavin sets aside his reservations and signs the contract. Jacob Kross is just as dominant, fierce, and intense as he imagined. The alpha intends to breed Gavin the old-fashioned way, and that has him both terrified and excited. But as he comes to know Jake, it grows harder to avoid falling in love with the alpha whose ferocity and ambition hides a kind, generous heart. He knows that after he gives Jake an heir, the contract is over, and his time with the alpha is done. Gavin only wants a pack of his own and someone to love him, but politics and Jake's ambitions make that impossible...and time is running out.
