But what does that relationship look like—really? *Apprentice* calls spiritual pilgrims, both Christians and non-Christians, to exchange the shallow diversions of secular and religious culture for the pursuit of our true desires. In a book of refreshing honesty, great heart, and rich creativity, Steve Chalke guides us into an apprenticeship with the master teacher, Jesus. Embarking on a relational journey that engages us on every level, we walk with Jesus in an organic, whole-life learning experience, exploring ten areas foundational to the meaning and depth we crave. *Apprentice* encourages us to ask our most probing questions, embrace our doubts, and learn why we are driven to belong. Combining story and parable with thoughtful commentary, we discover the ancient art and discipline of apprenticeship—living lives stamped with the character, presence, and impact of Jesus.

Walking with Jesus Through His Word - Dennis E. Johnson 2015-05

Charles Spurgeon once said that just as every road in England leads to London, so every text in Scripture contains a path to Christ. But there's still a chance of going the wrong way, blazing misleading trails where none previously existed. How can we be sure that we're reading our road map correctly? Dennis Johnson shows us that there are established routes we can trust.

Guiding us along the network of trails in the Old

and New Testaments, he points to the signs and markers that help us to identify roads to Christ. He surveys the Bible's sweeping story that makes up the lay of the land and explores different landmarks—the central motifs in Scripture that give us our bearings as we seek out Jesus. Our sermons, Bible studies, and personal devotions will be transformed as we navigate Scripture in light of its central purpose: to draw us in faith and love to our Prophet, Priest, and King. Book jacket.

The Believer's Walk with Christ - John F. MacArthur 2017-01-03

What it means to walk with Christ 'Walking' is a rich biblical metaphor. Figures like Enoch, Noah, and Abraham are remembered because they walked with God. Evil kings are remembered because they didn't. All humanity is a parade one way or the other, and Christians must know the difference. *The Believer's Walk with Christ* plumbs nine New Testament passages to unfold this great theme and help us live in step with the Spirit. Written in John MacArthur's direct, accessible style, it is ideal for Bible study groups, church leaders, or individual believers who want to grow in godliness. MacArthur draws on a lifetime of scholarly and pastoral experience to demystify that process and explain clearly what Scripture says about it. He'll help you know what it means to grow in Christian maturity, and how to make it the mark of your life. About the series: This book is part of *The John MacArthur Study Series*. It is comprised of chapters adapted from the bestselling *MacArthur New Testament Commentary*, which have been arranged thematically for the purpose of topical study. Accordingly, each chapter is designed to take the reader deep into a text of Scripture, while the volume as a whole addresses a specific biblical theme. This approach is ideal for anyone wanting to engage in a thorough study of what the Bible says about a given subject. It also serves as a valuable tool for pastors or Bible study leaders looking to teach a topical series. *Walking with God* - John Eldredge 2016-09-13 Follow one man's journey of learning to hear the voice of God. By putting words to the things God has shown him through some amazing experiences, John Eldredge helps readers shed light on the miraculous truths that God is

showing them right now. Our deepest need is to live in conversation with God. To hear his voice. To follow him intimately. This is the single most life-changing habit that a human being can adopt, because it brings us back to the source of life. Yet most Christians have never been taught how to have a conversation with the Creator. In this revised and updated edition of his classic *Walking with God*, John Eldredge opens his personal journals to tell a year's worth of stories about walking and talking with the Lord. Some of John's stories will help readers recall lessons they didn't know had been forgotten, open up new horizons, and help them tell and interpret their own story: the story of their intimate walk with God.

And the Angels Were Silent - Max Lucado 2005-08-09

You can tell a lot about a person by the way he dies. In the last week of his life, Jesus deliberately sets his face toward Jerusalem and certain death. This is no ordinary week. Even the angels are silent as they ponder the final days of

Jesus Christ. This is no ordinary walk. Jesus doesn't chatter. He doesn't pause. He is on his final journey. He walks determinedly to the holy city, angrily into the temple, wearily into Gethsemane, painfully up the Via Dolorosa. And powerfully out of the vacated tomb. Master storyteller and best-selling author Max Lucado invites you: "Let's follow Jesus on his final journey. For by observing his, we may learn how to make ours. And discover what matters to God."

God Walk - Mark Buchanan 2020-07-14

Drawing on Jesus's example of walking, bestselling author Mark Buchanan explores one of the oldest spiritual practices of our faith. What happens when we literally walk out our Christian life? We discover the joy of traveling at the speed of our soul. We often act as if faith is only about the mind. But what about our bodies? What does our physical being have to do with our spiritual life? When the Bible exhorts us to walk in the light, or walk by faith, or walk in truth, it means these things literally as much as figuratively. The Christian faith always involves walking out, as again and again we find the holy in the ordinary. "Come, follow me," Jesus said, and then he was off. The most obvious thing about Jesus's method of discipleship, in fact, is that he walked and invited others to walk with him. Jesus is always "on the way," "arriving," "leaving," "approaching," "coming upon." It's in the walking that his disciples are taught, formed, tested, empowered, and released. Part theology, part history, part field guide, God Walk explores walking as spiritual formation, walking as healing, walking as exercise, walking as prayer, walking as pilgrimage, suffering, friendship, and attentiveness. It is a book about being alongside the God who, incarnate in Jesus, turns to us as he passes by--always on foot--and says simply, "Come, follow me." With practical insight and biblical reflections told in his distinct voice, Buchanan provides specific walking exercises so you can immediately implement the practice of going "God speed." Whether you are walking around the neighborhood or hiking in the mountains, walking offers the potential to awaken your life with Christ as it revives body and soul.

Walking Together on the Jesus Road: -

Evelyn Hibbert 2018-08-17

Make discipling culturally relevant. Christians who serve Jesus among people from a different culture than their own often struggle to find a good way to disciple people. Walking Together on the Jesus Road addresses this need by guiding readers through three essential practices for making disciples across cultures: listening to disciples to get to know them and their context, focusing on relationships with Christ, fellow disciples, and others, and enabling disciples to live out their faith in culturally relevant ways. These practices are the foundation for the long-term, intentional process of helping disciples from other cultures become more like Jesus. The book also engages with practical challenges, such as enabling disciples to find and belong to a nurturing community of faith, as well as contextualizing the way we teach the Bible.

Walking as Jesus Walked - Dann L. Spader 2011-09-01
Jesus must be our model for ministry. Sounds obvious, right? Or is it? Jesus, in all His humanity (and all His divinity) shows us the best possible way to live. Through the way He lived,

He modeled the priorities of how to multiply "much fruit." Following Jesus' example, His disciples then changed the course of history. How then can we follow Jesus' example? We must study His life. How did Jesus pray? In what types of relationships did He invest? Where were His priorities? Can my priorities be His priorities? Can I walk like He walked? What we do with Jesus MATTERS. Global ministry trainer Dann Spader practically and helpfully walks us through 10 weeks of exciting, ministry-altering study to really begin to walk as Jesus walked. *Forty Days to a Closer Walk with God* - J. David Muyskens 2016-04-01

It's been said that Centering Prayer is like two friends sitting together in silence, just being in each other's presence—completely natural and comfortable. Yet, Centering Prayer is sometimes viewed as too mysterious, too escapist, too hard. At first, it even appeared that way to the author, but events in his life and his further studies about prayer changed his views. Through Muyskens' insightful guidance, you'll explore a method of prayer that goes deeper than verbal conversations with God. This book teaches: silent communion with God a method of being open to the gift of God's presence a way of receiving a deep and intimate relationship with God Each day's reading has a focal scripture verse and the author's reflection, ending with simple suggestions for contemplative prayer. You'll begin with as few as 5 minutes of Centering Prayer. By following the guidance in this book for 40 days, you will be led to a closer relationship with God. As you progress through the daily scripture and meditative readings in *Forty Days to a Closer Walk with God*, you'll find greater understanding and fresh awareness of Jesus' promise, "I am with you always." *Walking with God* - Christian Art Gifts Inc Staff 2019-07

Walking With God - Richard Baxter
What does walking with God truly mean? What does it look like in the life of an ordinary Christian? Puritan writer Richard Baxter provides an answer for us that is just as powerful and enlightening in our modern era as

it was in the 17th century when he penned his words. Baxter, who himself was persecuted and spent time in prison for his beliefs, was intimately familiar with the great challenge of walking with God in a tumultuous world and in the midst of a generation that railed against God. Inscribed at the base of Baxter's statue in Kidderminster, England are these words: "In a stormy and divided age he advocated unity and comprehension, pointing the way to 'the eternal.'" Come learn from this great man of

faith who walked with God.
